

A collection of Viper car alarm components is displayed on a white background. At the top center is a black rectangular control module with a circular sensor on top and a multi-pin connector on the side. To its left are three black remote controls with orange buttons. Below the module is a black push-button. To the right of the module is a large black cylindrical siren with several wires extending from it. At the bottom are two coiled cables: a blue one and a black one. A semi-transparent grey banner with white and yellow text is centered over the image.
