Domestic Deployment of the Armed Forces Michael Head, Scott Mann, 2016-05-13 Until recently internal use of the armed forces has been generally regarded by the public as well as academic commentators as conduct to be expected of a military or autocratic regime not a democratic government There is however growing concern that the war on terror has been used to condition public opinion to accept the internal deployment of the armed forces including for broader industrial and political purposes This book examines the national and international law human rights and civil liberties issues involved in governments calling out troops to deal with civil unrest or terrorism As the introduction of military call out legislation has become an emerging global trend in the opening years of the 21st century there is considerable and growing interest in the constitutional and related problems surrounding the deployment of military forces for domestic purposes Examining the changes underway in six comparable countries the United States Canada Britain Germany Japan and Australia this book provides a review and analysis of this trend including its implications for legal and political rights *Committee on Appropriations House of Representatives, January 2, 2009, 110-2 House Report 110-932, **, 2009 **Federal Register**

, 2013-06 Country Reports on Human Rights Practices, 2009 The Law Reports of the Special Court for Sierra Leone Charles Chernor Jalloh, Simon Meisenberg, 2016-03-11 The Special Court for Sierra Leone was established through signature of a bilateral treaty between the United Nations and the Government of Sierra Leone in early 2002 making it the third modern ad hoc international criminal tribunal The tribunal has tried various persons including former Liberian President Charles Ghankay Taylor for allegedly bearing greatest responsibility for serious violations of international humanitarian law committed during the latter half of the Sierra Leonean armed conflict It completed its work in December 2013 A new Residual Special Court for Sierra Leone based in Freetown and with offices in The Hague has been created to carry out its essential residual functions This volume which consists of three books and a CD ROM and is edited by two legal experts on

the Sierra Leone court presents for the first time in a single place a comprehensive collection of all the interlocutory decisions and final trial and appeals judgments issued by the court in the case Prosecutor v Charles Ghankay Taylor. The Taylor case is the jewel in the crown of the SCSL as it was the first ever trial and conviction of a former African head of state for crimes committed in a neighboring state. It is also one of a handful of such significant cases in international criminal law. The Taylor Law Report contains the full text of all substantive judicial decisions including the majority separate and concurring as well as dissenting opinions and probably the longest trial judgment ever issued by an international criminal court. It additionally provides relevant information for a better understanding of the case such as the indictments, a list of admitted exhibits and a list of documents on the case file. This book set, which is the third in a series of edited law reports that follows volume 1 on Prosecutor v Brima Kamara and Kanu, the so-called AFRC case published in November 2012, and volume 2 on Prosecutor v Norman Fofana and Kondewa, the CDF case published in March 2014, seeks to capture the entire jurisprudential legacy of the tribunal, fills the gap for a single and authoritative reference source of the tribunal's jurisprudence. These law reports, the last volumes of which will be published in 2015 and 2016, are intended for national and international judges, lawyers, academics, students and other researchers as well as transitional justice practitioners in courts, tribunals and truth commissions as well as anyone seeking an accurate record of the trials conducted by the Special Court for Sierra Leone. N.B. The hardback copy of this title contains a CD-ROM with the scanned decisions that are reproduced in the book and the trial transcripts. The e-book version does not. Yearbook of the European Convention for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment/Annuaire de la convention européenne pour la prévention de la torture et des peines ou traitements inhumains ou dégradants Council of Europe/Conseil de l'Europe, 2017-10-23. The European Convention for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment was adopted by the Committee of Ministers of the Council of Europe in June 1987. It entered into force in February 1989 and all 47 member States are Parties to the Convention. The Convention has already established itself as an important human rights instrument. Its approach is quite different from that of the European Convention on Human Rights. Whereas the ECHR provides a remedy for particular human rights violations after the event, the Convention for the Prevention of Torture (ECPT) seeks to prevent human rights violations through a system of visits to places of detention. The Convention is intended to be an integrated part of the Council of Europe system for the protection of human rights, placing a proactive non-judicial mechanism alongside the reactive judicial mechanism established under the ECHR. The

Yearbook of the European Convention for the Prevention of Torture offers an essential annual overview of developments in relation to the ECPT Part One contains information on ratifications and other such issues in the authentic English and French texts Part Two has details in English and French of the membership and activities of the Convention Part Three reprints the twenty first annual General Report of the ECPT in the official English and French texts Part Four contains the ECPT s reports to States and the State responses thereto that were made public during the year in question The ECPT s reports are published in the official English and or French texts and State responses in the English and or French versions submitted by the States concerned Bilingual English and French 2 volume set *Country Reports on Human Rights Practices for 1996* , Presents Country Reports on Human Rights Practices which are presented annually by the U S Department of State to the U S Congress Explains that the reports cover individual civil political and worker rights **Annual Report** United States.
