Historical Dictionary of Science Fiction in Literature M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject

Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an

assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs *St. James Guide to Science Fiction Writers*
