Sig Sauer Mosquito Manual:

The Complete Illustrated Manual of Handgun Skills Robert Campbell, 2011 **An Introduction to Firearms**

James Morgan Ayres, 2014-10-21 Learn everything you need to know to own and shoot firearms responsibly in this newly updated guide. Owning a firearm is a big responsibility. There's more to it than just walking into a gun shop and walking out with a gun. In addition to knowing state laws and regulations, you'll need to have the confidence to choose the right firearm for your needs and then learn to use it safely and effectively. *An Introduction to Firearms* goes beyond the basics, introducing you to the many uses of the gun, such as hunting, sporting competition, and self-defense, and includes resources for additional information on legal aspects of gun ownership, safety considerations, and gun manufacturers. Chapters of interest include coverage on Where to Buy and Where to Shoot, Hunting with Your Gun, Care and Cleaning of Your Gun, Gun Cabinets, Cases, and Safes, Kids and Guns, Defensive Shooting Skills, Federal and State Gun Laws. *An Introduction to Firearms* is the best guide available to you to ensure you have the right gun, whether you intend to use it for big game or self-defense. It's your right to own a firearm and your duty to use it responsibly. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Handgun Buyer's Guide Brad Fitzpatrick, 2015-11-17 The one-stop shop for prospective handgun buyers. The market for new handguns is expanding rapidly, and that's good news for consumers. Each year more and more new models break cover, and there has never been a better time to be in the market for a new handgun, whether you're a recreational shooter, a concealed carry permit holder, a hunter, or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically advanced alloys, polymers, and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stems from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow fire matches at local gun clubs to modern IPSC, IDPA, and 3-gun competitions. *Handgun Buyer's Guide* will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on, hone their skills. You'll find all you need for owning a handgun in the *Handgun Owner's Guide*. Skyhorse Publishing is proud to
