Signed, Picpus Georges Simenon, 2016-03-15 One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories The Guardian Maigret dismantles an intricate network of lies stretching from Paris to Nice in this page turning mystery Mechanically he had put his pince nez down on the blotter and looked at it there with his large short sighted eyes It is at that moment that the strange thing happens One of the lenses acting as a mirror reflected the criss cross hatched ink marks which had dried on the blotter and he could just make out a couple of words When a fortune teller is found murdered in her apartment Maigret must find out not only who committed the crime but why it was predicted in a note found earlier signed by the unknown Picpus Maigret and the Fortuneteller Georges Simenon, 1990-05-01 Inspector Maigret investigates the death of fortuneteller Mademoiselle Jeanne a case remarkable for its wealth of unconnected suspects and fragmentary clues

Maigret and the Good People of Montparnasse Georges Simenon, 2018-08-02 His artistry is supreme John Banville Why all of a sudden did this shock him He was annoyed with himself for being shocked He felt as if he had been sucked into the bourgeois almost edifying atmosphere that surrounded those epeople good people so everyone kept telling him A retired manufacturer has been shot dead by his own pistol last seen alive by his son in law In this seemingly motiveless murder Inspector Maigret must rely on his famous intuition to discover the truth This novel has been published in a previous translation as *Maigret and the Black Sheep* One of the greatest writers of the twentieth century Guardian *Maigret Travels* Georges Simenon, 2018-01-04 His artistry is supreme John Banville Eyes half closed head tilted against the back of his seat he seemed not to be thinking as the plane flew over a thick carpet of bright clouds In reality he was making an effort to bring names and shadowy figures to life names and figures that even this morning had been as unknown to him as the inhabitants of another planet The attempted suicide of a countess and the death of a billionaire in the same luxury Paris hotel send Maigret to the Riviera and then to Switzerland as he searches for the truth amid the glittering world of the super rich This novel has been published in a previous translation as *Maigret and the Millionaires* One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian *Maigret Enjoys Himself* Georges Simenon, 2017-12-07 His artistry is supreme John Banville Standing here at the window in the middle of the morning vaguely observing the comings and goings in the street he had a feeling that reminded of certain days in his childhood when his mother was still alive and he was off school because he had the flu or it was the end of term It was the feeling of finding out what went on when he wasn't there Inspector Maigret is meant to be taking a holiday but he can't resist following the development of his colleague Janvier's case in the papers and playing a few tricks on the way This novel has been published in a previous translation as *Maigret's Little Joke* One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian **Maigret in Court** Georges Simenon, 2019-01-08 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When an innocent young man is accused of murder Maigret is forced to question the blind justice of the law In this thrilling courtroom drama inspector Maigret comes to the defense of Gaston Meurant a quiet Parisian picture framer accused of slitting his aunt's throat for money and smothering a small child Maigret can't reconcile the violent portrait the court is painting with the man his investigations have revealed But in order to save an innocent life from the gallows Maigret must expose some dark

secrets about Meurant secrets that may expose him to a whole other kind of danger With a high stakes courtroom setting that brings out a side of Maigret s brilliant mind rarely before seen Maigret in Court is a painful story of an oppressive domestic tragedy and the compassionate insight of a remarkable detective
