Most of those people continue to suffer in adulthood because of undeserved guilt, anxiety, and shame. Reclaiming Our Lives, written by a survivor of abuse and a psychotherapist specializing in the treatment of adult survivors of abuse, uses interviews with survivors and a healing approach to track the adult problems and what to do about them. Issues of trust, power, control, sexuality, and intimacy are examined in detail. The book concludes with an alphabet of survival tactics and a fourteen-step guide for growth for the survivor.
