As an expert tracker, the broad-shouldered Native American was sure he could find the child even if he had to leave Texas to do it. Windows of the Heavens Henry G. Brinton, 2021-11-23 When the heavens open on the small river town of Occoquan, Virginia, the streets flood and a candle shop is swept away. A Methodist pastor named Harley Camden witnesses the destructive deluge and then discovers in the debris a dead man with a crude carving of Satan's claws in his back. Harley is drawn into the mystery of what caused the flood and who killed the man while diving into questions of good and evil, body and spirit, humanity and the environment, especially questions about the change in climate that now threatens life around the globe. He discovers that there is a spiritual dimension to every social issue, whether it be the violence of Central American gangs or the racism that leads a black businessman to make a fateful choice. When the windows of the heavens open, surprising truths are revealed about how people can coexist in an interfaith, multicultural community and how humans can establish a sustainable relationship with the natural world around them.

Honoring his role as Kim's fiercest protector, he whisked her and her daughter to safety without considering the consequences. With a target on Kim's back and old wounds reopened, Brandon thought there'd be no more surprises. He'd never been more wrong.
