Republic of Madagascar International Monetary Fund. African Dept., 2025-03-21 Real GDP growth stabilized at 4.2 percent in 2024 Led by food and energy prices year on year inflation persisted rising from 7.3 percent in March 2024 to 8.6 percent in December 2024 as deteriorating road and electricity infrastructure continued to weigh on transportation and production costs Fiscal performance over the first part of the year was mixed mostly due to the disbursement of an exceptional loan to JIRAMA only partially compensated by the slow execution of domestically financed public investment

Republic of Madagascar International Monetary Fund, 2004-12-10 This paper examines Madagascar's Fifth Review Under the Three Year Arrangement Under the Poverty Reduction and Growth Facility and Requests for Waiver of Nonobservance of Performance Criteria Madagascar's performance under the program was broadly satisfactory taking into account the impact of the exogenous shocks and corrective actions taken by the authorities Efforts to bring tax revenue and net foreign assets the two

indicative targets missed at end June back on track over the summer were successful Progress was also made in structural reform although with some delays **Federal Register**, 2012-11 **Market-Based Systems of Monetary Control in Developing Countries** Mr.Chorng-Huey Wong, 1991-04-01 This paper reviews issues in the development of a market based system of monetary control in developing countries It focuses on the appropriate sequencing of financial reform that would facilitate the transition toward a market based system and measures required to strengthen the effectiveness of market based operations The paper also assesses the effects of financial reform on the demand for money function and discusses the implications for policy formulation and implementation **Pakistan** International Monetary Fund, 2002-07-11 This paper assesses Pakistan s Second Review Under the Three Year Arrangement Under the Poverty Reduction and Growth Facility PRGF and Request for Waiver of Performance Criterion Developments in the first months of 2002 indicate further progress toward the program s macroeconomic objectives Progress on the structural front was broadly in line with the program in particular in the area of tax administration fiscal transparency and privatization All but one of the performance criteria for end March 2002 were met The authorities request a waiver for the nonobservance of the performance criterion on Central Board of Revenue CBR revenue **Sudan: Request for a 39-Month Arrangement Under the Extended Credit Facility-Press Release; Staff Report; and Statement by the Executive Director for Sudan** International Monetary Fund. Middle East and Central Asia Dept., 2021-06-30 Since the 1919 popular revolution Sudan s transitional government has taken difficult steps to right decades of economic mismanagement The challenges facing the authorities remain significant but they have fulfilled the necessary conditions to reach the HIPC Decision Point DP This is an historic achievement and Sudan is set to clear its arrears and normalize relations with the IMF and other international financial institutions This will unlock Sudan s access to new financial resources to fund much needed development and social spending **Foreign Direct Investment and the World Economy** Ashoka Mody, 2007-01-24 Asking the question of whether Foreign Direct Investment FDI is integrating the world economy this comprehensive volume consists of an overview of current FDI research While the term integrating is often used the real test should be whether FDI is instrumental in bringing per capita incomes across countries closer together By this yardstick the answer is no The forces driving FDI are strong they lead it to flow to countries with attractive investment conditions and moreover investors have a tendency to follow each other It is in such settings that FDI appears to have the most beneficial effect in raising growth Written by an authority in this area Ashoka Mody this book will greatly appeal to all international and development economists Madagascar International Monetary Fund, 2003-07-03 Madagascar showed satisfactory performance under the Poverty Reduction and Growth Facility PRGF program Executive Directors agreed that the crisis has undermined the timely achievement of the program requiring the government to redouble its efforts They welcomed the 2003 budget and stressed the need for strengthening fiscal and monetary policies and accelerating structural reforms They urged the need to address the problems of inefficiency and corruption in the public

administration They emphasized the need to decisively implement the strategy and successfully complete the third review under the PRGF arrangement

Rwanda: Sixth Review Under the Three-Year Arrangement Under the Poverty Reduction and Growth Facility (PRGF) Requests for Waivers of Nonobservance of Performance Criteria and Request for a New Three-Year Arrangement Under the PRGF Staff Report; Staff Statement; Press Release on the Executive Board Discussion; and Statement by the Executive Director for Rwanda International Monetary Fund,2006-07-05 Policy implementation has improved since the completion point Recent economic performance has been encouraging but sustaining it will require an acceleration of reforms by the government Rwanda s medium term program aligned with the Poverty Reduction Strategy Program priorities provides an appropriate framework but further refinements are needed The main macroeconomic challenge is managing the domestic demand impact of fiscal policies Executive Directors welcome the scope of structural reforms aimed at private sector development improving public service delivery and productivity enhancing strategies in key sectors

Wheat, Wheat Flour, and Semolina United States International Trade Commission,1994

Nepal International Monetary Fund,2007-06-18 This paper discusses key findings of the Fourth Review Under the Poverty Reduction and Growth Facility PRGF for Nepal The PRGF supported program is broadly on track All quantitative performance criteria for the fourth review were met A number of structural performance criteria and benchmarks have been implemented albeit with delays For those that have not been completed substantial progress has been made With this the authorities have requested waivers for four structural performance criteria and completion of the fourth review as well as modification of performance criteria for the fifth review
