SOAP Note

Prepared by: Gayla S. Green from Vibrant Vision Studios

Date: 23rd October, 2050

This SOAP Note focuses on the Speech Therapy sessions of Lily Thompson, a 37 year-old female, to properly track her progress, set therapy goals and outline further actions. The SOAP template is broken down into four key sections: Subjective, Objective, Assessment, and Plan. Each section provides crucial information regarding the patient's current condition and future therapy directions.

Subjective	• Patient's report of difficulty in speaking clearly • Frequent slurring and stuttering during speech • Reports feeling frustration stemming from speech difficulty
Objective	• Height: 5'7", Weight: 145 lbs, 37 years old • Evidence of articulation errors

Treatment Companion Inna Itskovich, Megan Meyer, Miriam Shaffer, 2023-04-14 Whether you're working with a new student and don't know where to begin or you have a long-term client and you're feeling stuck *Treatment Companion A Speech Language Pathologist's Intervention Guide for Students With Developmental Delays and Disorders* provides ideas and strategies for a variety of common language goals. Speech language pathologists (SLPs) often face the challenge of adapting interventions to meet the needs of students with severe or complex disorders and diagnoses. As seasoned clinicians, the authors fuse their real-world experience with up-to-date research to create a robust road map for customizing SLP intervention strategies. User-friendly and straightforward, the *Treatment Companion* offers a conversational approach to identifying options and goals that meet students where they are, whether they are visual or kinesthetic learners, oral speakers or AAC users, engaged or distracted from birth to age 21. With easy-to-navigate headings, examples, and visuals, this guide can be consulted on an as-needed basis. The suggestions and strategies are accessible and innovative, often not requiring any specialized supplies to implement. The *Treatment Companion* offers both novice and experienced clinicians a valuable tool to support their clients in achieving the highest level of communication possible. **Key Features:** Language goals are divided into four levels that are aligned with developmental milestones. Detailed figures feature examples of intervention resources and strategies. Color versions provided on the companion website. *Steps Toward Mastery* outlines a progression for guiding students to mastery of a goal from introduction of a skill to achieving independence and generalizing the skill. *Activities in Treatment* offers suggestions for working on skills through specific therapy activities. *Demystifying Augmentative and Alternative Communication* appendix provides an approachable overview and example scenarios for those new to AAC.
