Realignment of the Left? Peter Joyce,1999-04-26 This book is concerned with the realignment of progressive political forces in Britain It focuses on the relationship between the Liberal and then Liberal Democrats and the Labour parties and seeks to provide an understanding of the factors which have created the potential for the realignment of the centre left of the political spectrum and the forces which have historically impeded its attainment This authoritative account of the British left and centre since the nineteenth century offers essential background for current politics **The New Politics of Welfare** Bill Jordan,1998-09-24 This critical and highly topical introduction to the current debates and politics surrounding welfare

reform in the United Kingdom and the United States explains the origins and main tenets of the Blair Clinton orthodoxy Central to the book is an examination of this orthodoxy's appeal to the concept of social justice Bill Jordan demonstrates how values derived from the family and voluntary associations are in danger of running counter to the more fundamental principles of liberal democracy and the requirements of transnational economic exchange He links the new politics of welfare to liberal and communitarian theories of citizenship and social justice and assesses the broader prospects for European social policy in the struggle over economic and political integration For more than a decade Bill Jordan has been one of our most thoughtful and independent thinkers on the future of welfare Anyone who wants to know more about what is happening to global welfare and why and how it should be changed should read this book Chris Pierson Department of Politics University of Nottingham

New Labour S. White, 2001-03-13 This collection of essays examines New Labour's claim to stand in the vanguard of a new form of progressive politics By examining the ideology of New Labour the major policy initiatives of Labour government and the record and prospects of social democratic and progressive governments in the USA and elsewhere in Europe the contributors attempt to disentangle the progressive and conservative aspects of New Labour politics and the possibilities for genuine progressive advance in Britain and other advanced capitalist countries Social Action with Children and Families Crescy Cannan, Chris Warren, 2002-09-11 Argues that meeting the needs of children requires a rediscovery and modernization of the social action and community development traditions of social work and aims to help those working in this field find a new more positive sense of direction
