Social Media Gaining More Leverage Through Social Media:

Leveraging Social Media Influencers for Branding Ajay Mittal, 2025-02-20 Leveraging Social Media Influencers for Branding is your comprehensive guide to growing your business through the power of social media We break down the process into eight detailed chapters each focusing on a crucial aspect of influencer marketing We start with What is Influencer Marketing clearly explaining who influencers are and how influencer marketing works Next How to Create an Effective Influencer Strategy provides the blueprint for crafting a strategy to grow your business Finding the Right Influencers for Your Brand highlights the importance of selecting the right influencers to achieve success In Influencer Management we guide you on managing influencers and getting the best results Additional chapters like Brand Review Brand Strategies in Social Media The New Business Skills Everyone Needs and The Influence of Social Media Influencers offer perfect guidance on leveraging social media to grow your brand Through clear explanations and practical advice this book equips you with the tools to navigate the world of social media influencers and build a successful brand **Leveraging Technology in Leadership Communication** Carolyn Mae Kim, 2021-11-11 Taking a close look at how digital media can elevate or diminish a leader's influence this book provides a framework to guide organizational leaders selection and application of digital tools in communication with stakeholders Through a media ecology approach the book begins by exploring the transitions in technology over the course of human history that resulted in today's digital communication environment It builds on this understanding to examine the value leadership communication provides to engage employees and drive organizational objectives internally while also highlighting the value of leaders external stakeholder communication using tools such as social media or websites to elevate credibility It examines various challenges to give a realistic assessment of how leaders can navigate digital communication successfully to thrive personally and professionally Finally the book explores an often missed dimension of leadership communication followers Using the ethicality of leadership and the role of followers it concludes by examining guiding values for leadership communication in the digital age as well as forecasting future trends that will shape leaders communication The book is intended as supplementary reading in organizational leadership corporate and internal communication courses at both the undergraduate and graduate levels Online instructor resources for this book include a one sheet overview of how to use the text in a course as well as sample assignments and discussion questions Please visit www.routledge.com/9780367414993 to access these support materials **Social Media as Surveillance** Daniel Trottier, 2016-04-01 While there is a lot of popular and academic interest in social media this is the first academic work which addresses its growing presence in the surveillance of everyday life Some scholars have considered its impact on privacy but these efforts overlook the broader risks for users Commonsense recommendations of care and vigilance are not enough as attempts to manage an individual presence are complicated by the features which make social media social Facebook friends routinely expose each other and this information leaks from one context to another This book develops a

surveillance studies approach to social media by presenting first hand ethnographic research with a variety of personal and professional social media users Using Facebook as a case study it describes growing monitoring practices that involve social media What makes this study unique is that it not only considers social media surveillance as multi purpose but also shows how these different purposes augment one another leading to a rapid spread of surveillance and visibility Individual institutional market based security and intelligence forms of surveillance therefore co exist with each other on the same site Not only are they drawing from the same interface and information but these practices also augment each other This groundbreaking research considers the rapid growth and volatility of social media technology by treating these aspects as central to social media surveillance

[Leveraging Social Word of Mouth](#) Raghav Pillai,2025-02-20 Leveraging Social Word of Mouth examines the impact of social Word of Mouth sWOM and provides guidance on harnessing its growing power Our goal is to integrate industry best practices and academic research to give brands a voice inspire engagement encourage consumers to share and ensure compliance with industry and state guidelines We offer insights into creating social media content that fosters compliance and drives positive sWOM Each chapter focuses on key areas of sWOM providing a comprehensive understanding of the topic and practical strategies to mobilize positive word of mouth for your business Throughout the book we explore methods to effectively operationalize sWOM empowering brands to enhance their online presence and build meaningful connections with their audience By merging academic research with real world applications we aim to provide valuable tools and techniques for leveraging the power of social word of mouth in today s digital landscape Whether you re a marketer business owner or communications professional Leveraging Social Word of Mouth offers essential insights to navigate the complexities of sWOM and drive brand success through effective social media strategies

Social-Ethical Challenges of Digitalization in a Developing Country Valentine Ihim, The study is the result of a theological research and is based on current discussions on digitalization in Christian Social Ethics The book answers questions such as How can the Church use digitalization to advance her mission in the modern world Since digitalization has redefined the landscape of evangelization and is now very much favoured by young people how can the Church use digitalization to engage the young people in her mandate to evangelize the world This work also examines how digitalization could be used to combat corruption especially in the Nigerian public and private sectors It suggests various measures by which internet fraud and corruption could be reduced using digital tools It stresses however that these measures can only have a positive outcome if the government and its institutions are sincere and resolute in their determination to curb such corruption

From Media Hype to Twitter Storm Peter Vasterman, 2025-10-01 The word media hype is often used as rhetorical argument to dismiss waves of media attention as overblown disproportional and exaggerated But these explosive news waves as well as nowadays the twitter storms are object of scientific research because they are an important phenomenon in the public area Sometimes it is indeed much ado about nothing but in many cases these media

storms have play an important role in political issues scandals and crises Twitter storms sometimes ruin reputations within hours Although different concepts are used such as media hypes news waves media storms information cascades or risk amplification all the studies in this book refer to the same process in which key events trigger a chain of reactions and interactions building up huge news waves in the media or rapidly spreading social epidemics in the social media This book offers the first comprehensive overview of this important topic It is not only interesting for scholars and students in media and journalism but also for professionals in PR and communication crisis communication and reputation management ,
