Teaching Elementary Social Studies James Zarrillo, 2000 This text presents a methodology that offers every child a chance to succeed regardless of language culture intellectual ability physical attributes emotional capabilities or social skills Teaching Elementary Social Studies encourages teachers to recognize that each child is unique and brings a special set of skills and abilities to the classroom The unifying theme of the text is diversity and the author introduces several dimensions beyond the pluralistic nature of the student population It promotes the idea that diverse students require a diverse pedagogy and offers specific ways to introduce meaningful topics in ways that will engage all students Provides a foundation for teaching social studies Informs pre service teachers about the national standards documents that dictate curriculum planning for social studies Introduces students to Expectations for Excellence Curriculum Standards for the Social Studies National Standards for Civics and Government National Content Standards in Economics Geography for Life and National Standards for History Addresses the fundamentals of teaching social studies Provides instruction for creating lessons based on MI inquiry and student interaction Advocates the need for social studies lessons that infuse multicultural perspectives Each lesson mini lesson group project or unit concludes with a section on Effective Teaching in Today's Diverse Classroom Includes descriptions of activities group projects lessons and mini lessons to model good social studies instruction Includes numerous examples of multicultural literature Samples lessons mini lessons projects and activities all reference multicultural and historical literature and Internet websites teachers can access to enrich social studies teaching and learning Promotes good citizenship as a goal of social studies

Making Connections in Elementary and Middle School Social Studies Andrew P. Johnson, 2009-10-15 Making Connections in Elementary and Middle School Social Studies Second Edition is the best text for teaching primary school teachers how to integrate social studies into other content areas This book is a comprehensive reader friendly text that demonstrates how personal connections can be incorporated into social studies education while meeting the National Council for the Social Studies' thematic pedagogical and disciplinary standards Praised for its wealth of strategies that go beyond social studies teaching including classroom strategies pedagogical techniques activities and lesson plan ideas this book examines a variety of methods both novice and experienced teachers alike can use to integrate social studies into other content areas

Social Studies for Secondary Schools Alan J. Singer, 2008-10-26 This popular text advocates an inquiry and activity based view of social studies teaching that respects the points of view of students and teachers Based in practice and experience it offers systematic support and open honest advice for new teachers is conversational not pedantic and provides lots of examples While the structure and most of the topics remain largely the same as before this Third Edition presents new lesson ideas in every chapter especially designed to help new teachers to address learning standards to work in inclusive settings and to promote literacy and the use of technology in social studies classrooms puts a heavier focus on what is important to know and why includes new essays on the politics of

social studies education responds to opponents of project or activity based social studies instruction and multicultural education with a sharpened defense of both of these approaches throughout the book

Intended as a text for undergraduate and graduate pre service social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice

Curriculum Planning for Social Studies Teaching Craig Kiskey, 1981

Getting to the Core of Literacy for History/Social Studies, Science, and Technical Subjects, Grades 6-12 Vicky Giouroukakis, Maureen Connolly, 2013-05-14

Literacy it s not just for English teachers anymore The new Common Core English Language Arts Standards aren t just for English teachers Fluent reading and writing are critically important to the study of history social studies science and technical subjects too What s more the progress your students make is directly tied to their ability to process information they read and to express their ideas in writing So how do you make literacy a focus of your teaching without taking time away from essential content This practical resource packed with teacher tested CCSS based sample lessons shows you how using the Backward Design approach to set and meet your goals Each lesson template includes The teaching strategies you ll utilize Ways to incorporate technology and media Variations for differentiation and interdisciplinary connections Links to the work of major educational theorists Following these models you ll set the CCSS in your sights and develop lessons that both meet standards and fit your classroom Before you know it you ll be infusing reading and writing across your curriculum in purposeful and meaningful ways
