Sociology In Our Times The Essentials:

Sociology in Our Times Diana Elizabeth Kendall, 2000 Diana Kendall's successful brief text is known for the effective way it guides students into the study of sociology in a way that touches their lives. It is especially noted for its coverage of race, class, and gender filtered through an applied orientation. The text takes an inclusive approach to diverse theoretical viewpoints. Each chapter incorporates recent research, especially by women and people of color, as well as classic studies. The author has a vivid writing style and uses compelling everyday life examples which make sociology come alive for students.

Sociology in Our Times Diana Elizabeth Kendall, 2001 This mainstream best-selling text is noted for its especially strong coverage of current social issues along with its integration of race, class, gender, and age perspectives. The author includes diverse theoretical viewpoints, including feminist theory. A social issue or application opens each chapter and provides various topics for boxes, features, and examples that are carried throughout the entire chapter. The author, who has the most vivid personal writing style in the market, uses compelling everyday examples that make sociology particularly relevant to diverse students. This cutting-edge book highlights the relevance of sociology by including a diverse collection of classical and contemporary theories, interesting and relevant research, and lived experiences that accurately mirror the diversity in society itself. Kendall shows students that sociology involves important questions and issues that they confront both personally and vicariously.

Sociology in Our Times Diana Kendall, 2012-12-15 Completely up to date and offering a succinct new presentation, Kendall's *SOCIOLOGY IN OUR TIMES THE ESSENTIALS 9e* uses real-life stories told by the people who have lived them, as well as familiar themes such as the American Dream, body image, the environment, and fake news media to introduce you to the study of sociology and engage your sociological imagination. A vital resource you may not know you have, Kendall shows you how sociology is at work in our society and can be applied to everyday life and to the pressing social issues we face. Every chapter includes a guide to how you can make a positive difference in both your immediate and extended communities. A vibrant new interior design complements the text's new coverage of such timely topics as health care legislation, the U.S. and global economies, Barack Obama's presidency, and the BP oil spill in the Gulf of Mexico.

Sociology in Our Times Diana Kendall, 2014-01-01 This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples, including its signature first-person accounts that open many chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society while also establishing the themes that are carried throughout the chapters. Author Diana Kendall's vivid and inviting writing style, emphasis on applications, and eye for the most compelling current examples highlight sociology's relevance to all students. Now in its Tenth Edition, *SOCIOLOGY IN OUR TIMES* is acclaimed in the field for being the first textbook to integrate race, class, and gender issues and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism.
