**The Politics of the Book** Filipe Carreira da Silva, Mónica Brito Vieira, 2019-05-16 It is impossible to separate the content of a book from its form In this study Filipe Carreira da Silva and Mónica Brito Vieira expand our understanding of the history of social and political scholarship by examining how the entirety of a book mediates and constitutes meaning in ways that affect its substance appropriation and reception over time Examining the evolving form of classic works of social and political thought including W E B Du Bois's *The Souls of Black*

Folk G H Mead's *Mind Self and Society* and Karl Marx's 1844 *Economic and Philosophic Manuscripts* Carreira da Silva and Brito Vieira show that making these books involved many hands They explore what publishers editors translators and commentators accomplish by offering the reading public new versions of the works under consideration examine debates about the intended meaning of the works and discussions over their present relevance and elucidate the various ways in which content and material form are interwoven In doing so Carreira da Silva and Brito Vieira characterize the editorial process as a meaning producing action involving both collaboration and an ongoing battle for the importance of the book form to a work's disciplinary belonging ideological positioning and political significance Theoretically sophisticated and thoroughly researched *The Politics of the Book* radically changes our understanding of what doing social and political theory and its history implies It will be welcomed by scholars of book history the history of social and political thought and social and political theory

**Human Behavior in the Social Environment** Anissa Taun Rogers, 2016-04-14 This addition to Anissa Rogers bestselling *Human Behavior in the Social Environment* expands the original text with new chapters on spirituality families and groups organizations and communities Written in the compact concise manner of the original text the new chapters cover mezzo and macro contexts and offer additional material valuable to two and three semester HBSE courses

**American Nightmares** Joel Best, 2018-01-23 Popular hazards or how we insist similar social problems are different American nightmares or why sociologists hate the American dream written with David Schweingruber Evaluating predictions or how to compare the Maya calendar Social Security and climate change Future talk or how slippery slopes shape concern Memories as problems or how to reconsider Confederate flags and other symbols of the past written with Lawrence T Nichols Economicization or why economists get more respect than sociologists Afterword the future of American nightmares

**Human Behavior and the Larger Social Environment, Third Edition** Miriam McNown Johnson, Rita Rhodes, 2015-06-15 From schools to the military and from class structure to cultural diversity all individuals function within complex social systems that shape them and are in turn shaped by them This text introduces students to these broader social contexts within which human behavior occurs and how a community's social settings may promote or deter people in maintaining or achieving personal health and well being Johnson and Rhodes use seven basic theoretical perspectives as the frameworks to explore how clients are impacted by social institutions and social structures Keeping up to date with emerging societal trends and changing environmental contexts is important and *Human Behavior and the Larger Social Environment* provides readers with the tools necessary to use their knowledge to provide appropriate interventions at all levels of practice as well as promote social and economic justice This book offers complex concepts in a simple format allowing students to analyze the relationship between individuals and various systems and better retain and apply their knowledge as they prepare to engage with clients and client systems

**Our Social World** Dr Jeanne H Ballantine, Keith A. Roberts, 2011-04-25 The Third Edition of *Our Social World Introduction to Sociology* is truly a coherent textbook that inspires students to develop

their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis Key Features Offers a strong global focus A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world Illustrates the practical side of sociology Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence Encourages critical thinking Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology Presents The Social World Model in each chapter This visually compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts New to the Third Edition Thirty new boxed features including the innovative Engaging Sociology and Applied Sociologists at Work features Three substantially reorganised chapters 2 Examining the Social World 3 Society and Culture and 13 Politics and Economics 315 entirely new references and 120 new photos **Seeing Straight**

Jean Halley,Amy Eshleman,2016-11-29 Seeing Straight introduces students to key concepts in gender and sexuality through the lens of privilege and power After an accessible overview the book asks students to examine the privilege inherent in approaching heterosexual and cisgender identities as normal as well as the problems of treating queer gender and sexuality as abnormal Compelling real life examples illustrate theory and empirical research revealing phenomena that shape not only students own lives but also their communities their country and the field of gender studies itself The book addresses tough topics like hate violence and privilege and it also considers institutionalized heteronormativity through the military law religion and more The book ends with a chapter called It s Getting Better that presents evidence for queer hope and courage Filled with compelling true stories this book is an ideal introduction to gender and sexuality that encourages students to question their own assumptions *Tuning the Student Mind* Molly Beauregard,2020-07-01 How can we rethink teaching practices to include and engage the whole student What would student experience look like if we integrated silence and feeling with empirical analysis Tuning the Student Mind is the story of one teacher s attempt to answer these questions by creating an innovative college course that marries the spiritual and the theoretical integrating meditation and self reflection with more conventional academic curriculum The book follows Molly Beauregard and her students on their intellectual and spiritual journey over the course of a semester in her class Consciousness Creativity and Identity Interweaving personal stories student writing and Beauregard s responses along with recommendations for further reading and a research appendix it makes the case for the transformative power of consciousness centered education Written in a warm engaging voice that reflects Beauregard s teaching style Tuning the Student Mind provides an accessible step by step template for other educators while inviting readers more broadly to reconnect with the joy of learning in and beyond the classroom The

Religious Dimensions of Shared Spaces Paul D. Numrich,2023-02-28 Space sharing by groups and organizations is widespread in the United States from commercial partnerships to government and private sector joint use agreements to the

use of public facilities and commons and more Drawing upon a variety of historical examples and contemporary cases The Religious Dimensions of Shared Spaces offers a focused and systematic analysis of space sharing involving religious groups or organizations All space sharing arrangements are similar in most respects so what difference does it make when religious groups or organizations are involved How do they invest meaning in the spaces they use and share including sacred space When and why do they enter into space sharing arrangements with other parties religious and or secular How do religious space sharers structure and maintain their arrangements including handling tensions that arise What can secular space sharers learn from their religious counterparts and vice versa The book also teases out when religion does not matter in space sharing even when religious groups or organizations are involved Case studies include internal congregational groups that negotiate the use of shared facilities arrangements between congregations and external groups or organizations multifaith partnerships and shared spaces in secular venues *Our Social World* Jeanne H. Ballantine, Keith A.

Roberts, 2011-10-26 In this brief text two leaders of the Teaching Sociology movement encourage students development of their sociological imaginations through role taking Assuming the role of a child living in poverty in India or of a member of an African tribe students learn to re envision their global society An innovative integrated framework provides core sociological concepts while features such as Contributing to Our Social World enable students to do public sociology Our Social World Condensed Version presents the perspective of students living in the larger global world *Schools and Society* Jeanne H.
