INTRODUCTION

This worksheet complements the Click & Learn "Virus Explorer" developed in conjunction with the 2016 documentary, *Spillover: Zika, Ebola & Beyond* (<http://www.hhmi.org/biointeractive/virus-explorer>).

PROCEDURE

Follow the instructions as you proceed through the Click and Learn, and answer the questions in the spaces provided.

1. Let's review. Click on the "About" tab at the bottom. Read the information and list four (4) ways in which viruses can differ from each other.

- 1- the structure of the virus
- 2- genome type
- 3- host type
- 4- transmission mechanism

2. This interactive uses several abbreviations. Fill in what each abbreviation stands for in the table below:

Abbreviation	Description
nm	nanometer
bp	base pairs
ss	single-stranded
ds	double-stranded

3. Close the "About" window, and locate the  next to each viral characteristic tab across the top. Click on these icons and answer the questions below associated with each viral characteristic.

- a. **Envelope:** Not all viruses have an envelope. If a virus has this outer layer, explain how it forms.

This outer layer is formed when viruses exit their host cell by budding the cell's surface or other membranes. In the process, part of the host cell membrane envelopes the virus, forming an outer layer which is called the envelope. It contains viral proteins embedded in it, which have proteins attached to them that are called glycoproteins. They help bind receptors on the membrane of a host cell.

Virus Microviewer And Answers

John Wood

Virus Microviewer And Answers:

Multimedia Learning Stations Jen Spisak, 2015-09-28 Learn how to use rotating multimedia learning stations employing databases websites education apps videos audio podcasts online games books and more to build a strong collaborative library program that helps you strengthen student understanding of the research process Libraries across America are losing funding and suffering from cuts in positions and programs The process presented here will help you increase library use and prove that school libraries and librarians are a necessity Written for middle and secondary school librarians the book provides a guide to using standards based and content focused learning stations in the library to facilitate instruction and strengthen students research skills You ll learn what multimedia stations are why they should be used and how to use them to enhance and extend direct instruction Plus the book breaks down the steps for building sets of stations and shows you how to organize and implement them for maximum impact In addition to describing the hows the book provides sound arguments for why multimedia learning stations work The method ensures that students gain continued practice with resources and build the skills and dispositions you want them to have It also increases the amount of collaboration you ll have with teachers and enhances your interactions with and influence on your students Teacher and student testimonials are interspersed throughout the book and appendices offer you specific examples from which to draw

Microbiology Jacquelyn G. Black, 1996 *Viruses in Our World* John Wood, 2019-12-15 Viruses aren t like anything else you can see under a microscope Is a virus a living thing or something else Readers explore the answer to this question as they examine viruses learning what they look like and how they affect us As readers discover important facts about how viruses multiply and what sicknesses they cause they expand their knowledge of essential parts of science curricula including beginner biology concepts In addition to the informative narrative fun fact boxes vibrant full color photographs and a creative design hold readers interest as they learn more about this important topic

Eventually, you will very discover a extra experience and realization by spending more cash. yet when? do you agree to that you require to acquire those every needs afterward having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to understand even more approaching the globe, experience, some places, past history, amusement, and a lot more?

It is your totally own become old to affect reviewing habit. in the course of guides you could enjoy now is **Virus Microviewer And Answers** below.
