Vita Brevis A Letter To St Augustine:

Vita Brevis Jostein Gaarder, 1998 In a second hand bookshop in Buenos Aires Jostein Gaarder made an exciting find a transcript of a letter to St Augustine author of the famous Confessions from Floria Aemilia the woman he renounced for chastity Vita brevis is both a classic love story beautifully told and a fascinating insight into St Augustine s life and that of his discarded concubine It is up to the reader to determine its authenticity Vita Brevis Jostein Gaarder, 2010-11-25 A box of Latin manuscripts comes to light in an Argentine flea market An apocryphal invention by some 17th or 18th century scholar or a transcript of what it appears to be a hitherto unheard of letter to St Augustine to a woman he renounced for chastity VITA BREVIS is both an entrancing human document and a fascinating insight into the life and philosophy of St Augustine Gaarder s interpretation of Floria s letter is as playful inventive and questioning as SOPHIE S WORLD

Authority and Asceticism from Augustine to Gregory the Great Conrad Leyser, 2000 When barbarians invaded the Roman Empire in the years around 400 AD Christian monks hid their cloisters Conrad Leyser shows that monks in the early medieval West were in fact pioneers in the creation of a new language of moral authority

The "Lost" Dialogue of Gregory the Great Carmel Posa, 2024-07-15 Imagine the enduring legacy and ancient hagiographical method used to recover the missing life and voice of St Scholastica of Nursia In The Lost Dialogue of Gregory the Great Carmel Posa SGS applies a disciplined imagination and the ancient hagiographical method to recover the missing life and voice of St Scholastica of Nursia Drawing on a wide range of scholarship including Gregory the Great s four famous dialogues biblical models and the Rule of Benedict Posa follows a technique similarly used by Saint Gregory himself to create an engaging and credible account of Scholastica s life In The Lost Dialogue of Gregory the Great Posa s use of the hagiographical method as a disciplined imagination serves as a tool for the repositioning of women s lives in history By presenting a lost life of Scholastica into the hagiographic record of Christianity she gifts the Church for today with the story of a beloved saint that will not only inspire readers but encourage them to ponder more searchingly the sources of the wisdom contained in Benedict s remarkable Rule Carmel s careful methodology also offers readers an image of Scholastica that has a spiritual standing apart from her famous and holy brother She retrieves the enduring legacy of Scholastica from the margins and places her into the center of monastic history in particular and church history in general

Oblates Benedictines and those interested in monastic spirituality will also be challenged to reconsider those women whose voices have been erased devalued or ignored over the centuries and inspired to listen carefully to the whispered words and wisdom of women as we mark our journey together into a future full of hope with Christ and his Gospel for our guide

Augustine's Problem Jeffrey F. Nicoll, 2016-06-03 Augustine's Problem provides a new approach to St Augustine's life and doctrine hypothesizing that his problem was not sexual addiction but sexual impotence For Augustine the problem with sex was not the seductive nature of women but the unpredictability of desire which can induce an unwanted erection or fail to provide one when even the mind would choose to have sex He extends his personal incapacity to a general impotence of the will we can never without grace choose any good Just as the impotent man cannot work on his impotence we cannot work on our salvation only God can make a difference and predestines a tiny elect The disobedience of the Garden is transferred to the disobedience of the male member guaranteeing that the sin of Eden is transferred in conception as original sin The most controversial elements of Augustine's theology are all linked to the theme of impotence as expressed in his writings from the Confessions to the anti Pelagian works written at the end of his life Augustine and Gender Maggie Ann Labinski, Kim Paffenroth, 2024-03-06 The relationship between Augustine of Hippo and the subject of gender raises important questions Augustine and Gender address these issues head on This volume offers original interpretations of the many ways that gender appears throughout Augustine's thought and works Contributions draw from a wide range of sources including Augustine's sermons letters treatises and dialogues Readers will discover detailed analyses about the nature of desire and emotion the politics of sex and marriage the possibilities of human speech and exegesis and the hope of education and community In addition this book is a persuasive demonstration of the benefits of bringing together Augustinian scholars with the most pressing concerns of the present **Papers Presented at the Fourteenth International Conference on Patristic Studies Held in Oxford 2003** Frances Margaret Young, Mark J. A Companion to the Biopic Deborah Cartmell, Ashley D. Polasek, 2020-01-15 The most comprehensive reference text of theoretical and historical discourse on the biopic film The biopic often viewed as the most reviled of all film genres traces its origins to the early silent era over a century ago Receiving little critical attention biopics are regularly dismissed as superficial formulaic and disrespectful of history Film critics literary scholars and historians tend to believe that biopics should be artistic yet accurate true to life representations of their subjects Moviegoing audiences however do not seem to hold similar views biopics continue to be popular commercially viable films Even the genre's most ardent detractors will admit that these films are often very watchable particularly due to the performance of the lead actor It is increasingly common for stars of biographical films to garner critical praise and awards driving a growing interest in scholarship in the genre *A Companion to the Biopic* is the first global and authoritative reference on the subject Offering theoretical historical thematic and performance based approaches this unique volume brings together the work of top scholars to discuss the coverage of the lives of authors politicians royalty criminals and pop stars through the biopic film Chapters explore evolving attitudes and divergent perspectives on the genre with topics such as the connections between biopics and literary melodramas the influence financial concerns have on aesthetic social or moral principles the merger of historical narratives with Hollywood biographies stereotypes and criticisms of the biopic genre and more This volume Provides a systematic in depth analysis of the biopic and considers how the choice of historical subject reflects contemporary issues Places emphasis on films that portray race and gender issues Explores the uneven boundaries of the genre by addressing what is and is not a biopic as well as the ways in which films simultaneously embrace and defy historical authenticity Examines the distinction between reality and the real in biographical films Offers a chronological survey of biopics from the beginning of the 20th century *A Companion to the Biopic* is a valuable resource for researchers scholars and students of history film studies and English literature as well as those in disciplines that examine interpretations of historical figures

Male Confessions Björn Krondorfer, 2009-12-03 *Male Confessions* examines how men open their intimate lives and thoughts to the public through confessional writing This book examines writings by St Augustine a Jewish ghetto policeman an imprisoned Nazi perpetrator and a gay American theologian that reflect sincere

attempts at introspective and retrospective self investigation often triggered by some wounding or rupture and followed by a transformative experience Krondorfer takes seriously the vulnerability exposed in male self disclosure while offering a critique of the religious and gendered rhetoric employed in such discourse The religious imagination he argues allows men to talk about their intimate flawed and sinful selves without having to condemn themselves or to fear self erasure Herein lies the greatest promise of these confessions by baring their souls to judgment these writers may also transcend their self imprisonment A letter to Saint Augustine Jostein Gaarder,1998 In a second hand bookshop in Buenos Aires Jostein

Gardner makes an exciting find a transcript of a letter to St Augustine author of the famous Confessions from Floria Aemilia the woman he renounced for chastity From publisher s description Empire Baptized Howard-Brook, Wes,2016-09-15

Through a study of the early church this book shows how Christianity in effect opted for the religion of empire shifting the emphasis of Jesus s prophetic message from transforming the world to the aim of saving one s soul **Sin and Forgiveness**

Kay Carmichael,2019-09-16 Originally published in 2003 Western attitudes to crime were in the past rooted in concepts of sin and therefore of hopes for redemption and forgiveness So what happens to offenders and society as a whole in a world where people no longer talk of sin but of evil If hopes of redemption go too will revenge take the place of forgiveness Kay Carmichael explores these dilemmas in this topical and provocative book She traces the stories of Myra Hindley Mary Bell Sarah Payne James Bulger and his killers comparing public responses to such crimes in various Western countries Art and literature are examined for the light they throw on the evolution of our ideas about sin and forgiveness from Rembrandt to Nathaniel Hawthorne Samuel Becket Dali and writings inspired by the Holocaust Turning to our own day Carmichael discusses the emergence of structural sins or iniquities in which we may all find ourselves involved poverty slavery violence and war are her themes Her analysis leaves her sceptical about many contemporary appeals for forgiveness but hopeful about ideas of restorative justice *Islam, Christianity and Tradition* Ian Richard Netton,2006-12-22 Offers a unique

comparative exploration of the role of tradition in Islam and Christianity The idea of tradition has enjoyed a variety of senses and definitions in Islam and Christianity but both have cleaved at certain times to a supposedly golden age of tradition from the past The author suggests there has been a chain of thinkers from classical Islam to the twentieth century who share a common interest in ijtiḥad or independent thinking Drawing on past and present evidence and using Christian tradition as a focus for contrast and comparison the author highlights the seemingly paradoxical harmony between tradition and itjiḥad in Islam The author draws on a variety of primary and secondary sources including contemporary newspaper and journal
