Computer Analysis of Images and Patterns CAIP 2005 This conference rics started about 20 years ago in Berlin Initially the
conference served as a forum for meetings between scientists from Western and Eastern block co tries Nowadays the
conference attracts participants from all over the world The conference gives equal weight to posters and oral presentations
and the selected presentation mode is based on the most appropriate communication medium The program follows a single
track format rather than parallel s sions Non overlapping oral and poster sessions ensure that all attendees have the
opportunity to interact personally with presenters As for the numbers we received a total of 185 submissions All papers were
reviewed by two to four members of the Program Committee The nal selection was carried out by the Conference Chairs Out
of the 185 papers 65 were lected for oral presentation and 43 as posters CAIP is becoming well recognized internationally
and this year s presentations came from 26 di erent countries South Korea proved to be the most active scienti cally with a
total of 16 cepted papers At this point we wish to thank the Program Committee and additional referees for their timely and
high quality reviews The paper s mission and review procedure was carried out electronically We also thank the invited
speakers Reinhardt Koch and Thomas Vetter for kindly accepting to present invited papers Catalog of Copyright Entries.
