

About the report

The 77th Integrated Annual Report 2021-22 of Tata Motors Limited outlines its financial and non-financial performance. The report narrates in detail how Tata Motors has shown strong resilience across all business verticals in challenging times and how it is gearing up to becoming Future Ready. A slew of product launches and new segment demand has expanded our customer base. We have also completed the formation of Tata Motors Passenger Vehicles Limited and Tata Passenger Electric Mobility Limited marking the start of new chapter in Tata Motors' history.

Scope and boundary

The Integrated Annual Report 2021-22 covers the performance of Tata Motors Group, for the period starting from April 1, 2021 to March 31, 2022. It aims to provide a holistic view on the ability to create long-term value through our value creation model, strategy and environmental, social and governance (ESG) focus. Moreover, certain sections of the Report include only financial and performance and Sustainability Review (Environment and Social) for Tata Motors domestic operations and Region Level Focus.

Reporting standards and frameworks

The Integrated Report has been prepared as per the principles and guidance provided by the International Integrated Reporting Council (IIRC)'s *IR Framework*. The content of the Integrated Report is also in accordance with the Global Reporting Initiative (GRI) standards. The financial and statutory information has been presented as per the requirements of the Companies Act, 2013 and the rules made thereunder, the Indian Accounting Standards, the Securities and Exchange Board of India

Listing Regulations and Disclosure Requirements Regulations, 2015 and the Securities Standards issued by the Institute of Company Secretaries of India.

Materiality

The Integrated Report includes information that is material to our stakeholders and our value creation stories. We have also presented information on how we strategically approach these material issues. The material issues are assessed by the Group management.

Assurance

Assurance on financial statements has been provided by independent auditor BSR & Co. LLP. Assurance for non-financial data for India operations of Tata Motors have been issued by DNV Business Assurance India Private Limited, India. DNV has provided assurance for the non-financial data including those contained in the following sections of the report: Key Performance Indicators, Value Creation Model, Stakeholder Engagement, Materiality Assessment, Risk Management, Governance, and Sustainability Review (Environment and Social).

The assurance has been given against the Report's adherence to the International IR Framework of the IIRC and the GRI's Sustainability Reporting Standards. The assurance report issued by DNV Business Assurance India Private Limited, India, is available on our website www.tatamotors.com.

Board's responsibility statement

The Board acknowledges the accountability for the integrity and completeness of this report and its contents. We have also assumed collective responsibility for the preparation and presentation of the report in accordance with the International Integrated Reporting Council (IIRC)'s *IR Framework*.

Japan and the Global Automotive Industry Koichi Shimokawa,2010-06-03 The Japanese automotive industry enjoyed spectacular success in the 1980s This was largely due to the so called Lean Production System the combination of an efficient production system an effective supplier system and a product development system In the 1990s the industry fell on hard times because of the Japanese asset price bubble and extreme currency appreciation In this book eminent industry specialist Koichi Shimokawa draws on his thirty years of research and fieldwork with Japanese and American firms to show how the Japanese automotive industry has managed to recover from this difficult period He shows how firms like Toyota were able to transfer Japanese systems to overseas plants and how they have changed in order to compete in increasingly globalized markets In addition the book also addresses the two major challenges to the current industry model the rise of China and the environmental and energy supply situation Operations Management Radha Agarwal,2025-01-03

Operations Management Principles for Success offers a comprehensive introduction to the field of operations in a practical accessible manner We present the largest and most diverse collection of real world problems to help readers apply these concepts in their studies and professional lives Our book blends theoretical and practical aspects of operations management covering the basics the necessity of operations management supply chain management various policies and logistics This broad overview equips readers with the knowledge needed to excel in the field Designed for students teachers new entrepreneurs and business owners *Operations Management Principles for Success* is your essential guide to understanding and mastering operations management Inside the Mind of Toyota Satoshi Hino,2005-11-28 Winner of a Shingo Research and Professional Publication Award Toyota s sustained growth attracts the attention of economists and industrialists around the world eager to learn the secrets of Toyota s lasting success In *Inside the Mind of Toyota Management Principles for Enduring Growth* Satoshi Hino examines the source of Toyota s strength the fundamental thinking and management structures that lie beneath the creation of its famed Toyota Production System From the perspective of a professional with 30 years experience in the

auto industry Hino presents a fresh and detailed analysis of Toyota's essential management system from its very beginnings into the 21st century. The ultimate goal is not simply to mimic Toyota's formula but to learn from it and in doing so surpass it. From the Translator's Foreword: Unlike most Toyota watchers, Hino urges us to set our sights not on replicating Toyota's success but on surpassing it. This point is crucial because it moves our attention away from slavish imitation of what is visible on the surface and challenges us to tap into deeper and more powerful mechanisms of excellence. This is not a cookbook and it is not Toyota Lite. It deserves serious study, application and experimentation. Learn how Toyota thinks, Hino is telling us. Learn Toyota's strengths, make them your own and then exceed them. Andrew Dillon, September. *Strategic Corporate Communication*, Richard Stanton, 2017-09-16. This textbook takes a refreshing approach to strategic corporate communication and provides students and practitioners with the tools needed to understand what makes a successful communication strategy. It offers a new way of understanding the way successful communication strategies are constructed and delivered. Using a unique reverse engineering approach, it takes apart the components of corporate communication, examines the mechanics, then rebuilds the strategy for use by communication students and practitioners across a wide range of corporate entities, including not-for-profit organisations. This textbook will be recommended reading for advanced undergraduate and postgraduate students studying PR, corporate or strategic communications, either within a business school or media studies department. The book will also appeal to students studying related topics, including international relations and media studies, especially those wishing to work in a communications role for a corporate or not-for-profit organisation after university.

Corporate Governance Matters, David Larcker, Brian Tayan, 2020-10-07. The Definitive Guide to High Performance Corporate Governance. Fully updated for the latest research trends and regulations. *Corporate Governance Matters*, Third Edition, offers comprehensive and objective information for everyone seeking to improve corporate governance, from directors to institutional investors to policymakers and researchers. To help you design highly effective governance, David Larcker and Brian Tayan thoroughly examine current options, reviewing what is and isn't known about their impact on organizational performance. Throughout, they take a strictly empirical and non-ideological approach that reflects rigorous statistical and research analysis and real-life examples. They address issues ranging from board structure, processes, operations and functional responsibilities to institutional investors, outside stakeholders and alternative forms of governance. New discussions of Environmental, Social and Governance (ESG) activity and ratings, stakeholder interests, CEO activism, CEO misbehavior, cybersecurity risks. Extensively revised coverage of Executive compensation, Leadership and succession planning, Director recruitment, evaluation, turnover and more. The authors' balanced approach provides useful tools for making better, more informed decisions on governance. **Steel Industry Annual Report on Competitive Conditions in the Steel Industry and Industry Efforts to Adjust and Modernize**, 1990.
