hometown I don't let that deter me. Instead, the day of the try outs I arrive with my buns and a smile. When my name was called, I raised my head high and climbed up the stairs to the stage. That was when it happened: my ankle went rolling, my rolls went flying, and the next thing I know I wake up in the hospital. I wake to see my assistant and my arch enemy by her side. He immediately claimed the guilt for what happened. He volunteered to take care of me and my badly sprained ankle. He even volunteered to move in and help with the bakery. I don't know what I was thinking when I accepted. Tristan always had a way of testing my patience. I figured it would never last. To my surprise, the criticism seemed to stop and something else started. I was beginning to like the big dumb jerk. I still wasn't convinced that the trip was just an accident, but I was convinced he'd decide soon enough there was nothing for him in this little town, including me, so what harm would come from a little fling?

Previously titled The Holiday Dilemma The Magic Between Stephanie Hoyt, 2022-02-15 In a world where everyone has magic coursing through them, legend says magic itself craves a mate. Legend says those with opposite magics have the greatest chance of forming the unbreakable Bond it desires. A.B. Cerise is an obsessive compulsive pop star with the ability to turn invisible. He's an out bisexual with absolutely no belief in Bonds. He has a love bruised heart, thinks dating in the spotlight is a hassle at best and a nightmare at worst, and has no intention of going through it all over again. Matthew Hellman Levoie is the NHL's number one goalie prospect, the youngest in a hockey dynasty, and one of the rare few who can see the unseeable. He's a straight man who wears his heart on his sleeve, has grown up searching for a Bond, and dreams of finding the love of his life. Their magic is magnetic. Their touch is electric. They're the textbook case for Bonding. But legend never said anything about what to do when sparks fly between people opposite in more ways than magic.
