delve into what's going on inside us when we listen Michel Faber explores two big questions how do we listen to music and why do we listen to music To answer these questions he considers a range of factors which includes age illness the notion of cool commerce the dichotomy between good and bad taste and much more From the award winning author of *The Crimson Petal and the White* and *Under the Skin* this idiosyncratic and philosophical book reflects Michel Faber's lifelong obsession with music of all kinds Listen will change your relationship with the heard world **With Every Great Breath** Rick

Bass, 2025-02-11 Master craftsman Los Angeles Times and beloved author Rick Bass explores ecological social and personal landscapes through this collection that brings together his best loved essays and brand new pieces For acclaimed writer and environmental activist Rick Bass it can be wearying to dwell relentlessly upon the broken the fragmented the dead and dying and doomed to extinction Activism is a necessary part of the environmental movement but so is the time honored celebration of the beauty that inspires us Spanning his storied career these new and selected essays attempt to take a brief step to the side away from lamentation and prescription to inhabit as deeply as possible the greater depths of the beauty in each moment *With Every Great Breath* ranges from the extremely local a long form essay about the community affected by the largest Superfund site in U S history in Libby Montana to the far flung the Galapagos Namibia and Alaska Throughout Bass offers a portrait of our planet that is always alert to its wonders even in the face of environmental crisis *Performing*

*Animality* Jennifer Parker-Starbuck, 2015-04-08 *Performing Animality* provides theoretical and creative interventions into the presence of the animal and ideas of animality in performance Animals have always played a part in human performance practices Maintaining a crucial role in many communities cultural traditions animal human encounters have been key in the development of performance Similarly performance including both living animals and or representations of animals provides the context for encounters in which issues of power human subjectivity and otherness are explored Crucially however the inclusion of animals in performance also offers an opportunity to investigate ethical and moral assumptions about human and non human animals This book offers a historical and theoretical exploration of animal presence in performance by looking at the concept of animality and how it has developed in theatre and performance practices from the eighteenth century to today Furthermore it points to shifts in political cultural and ethical animal human relations emerging within the context of animality and performance

*Pigeon River Country* Dale Clarke Franz, 2013-02-13 The long awaited new edition of a classic offers memories myths and meanings of the largest contiguous piece of wild land in Michigan's Lower Peninsula This updated edition explores more deeply why and how the outdoors moves and compels us It's a book about mice who sing elk who wear collars deer who kiss and birds who could dictate their compositions to Mozart It's about the human species interacting in generous and sometimes misguided ways with the rest of life It's about men trying to ripen pinecones into pineapples and women taking better aim with a revolver than expected It's about poetry from Mary Oliver Lao Tzu and Theodore Roethke and seeing hawks dive in a night sky or feeling oil geologists shake the earth below It's about finding fish

dead in the river by the thousands and crouching behind a stump to watch beaver build a dwelling While this book considers life beyond the boundaries of Pigeon River Country it is steeped in the specifics of a place that lives mostly on its own instead of human terms The Pigeon River Country is a remote northern forest ecologically distinct from most of the United States Laced with waterways it has a storied past Dale Clarke Franz has collected personal accounts from various people intrigued with the Pigeon River Country including loggers conservationists mill workers campers even the young Ernest Hemingway who said he loved the forest better than anything in the world There are comprehensive discussions of the area s flora and fauna guides to trails and camping sites and photos showcasing the changing face of this hidden national treasure **Whale**
