The Cleaner Of Chartres A Novel:

The Cleaner of Chartres Salley Vickers, 2013-06-27 If you enjoy the work of Marilynne Robinson Penelope Fitzgerald James Salter you should be reading Vickers Michael Dirda The Washington Post Book World There is something very special about Agn s Morel A quiet presence in the small French town of Chartres she can usually be found cleaning the famed medieval cathedral or doing odd jobs for the townspeople No one knows where she came from or why Not diffident Abb Paul nor lonely Professor Jones nor even Alain Fleury whose attention she catches with her tawny eyes She has transformed all their lives in her own subtle way yet no one suspects the dark secret Agn s is hiding Then an accidental encounter dredges up the specter of her past and the nasty meddling of town gossips forces Agn s to confront her tragic history and the violent act that haunts it

Miss Garnet's Angel Salley Vickers, 2013-06-04 After the death of her longtime friend and flatmate retired British history teacher Julia Garnet does something completely out of character She takes a six month rental on a modest apartment in Venice She befriends a young Italian boy and English twins who are restoring a fourteenth century chapel And she falls in love for the first time in her life with an art dealer named Carlo Juxtaposing Julia s journey of self discovery with the apocryphal tale of Tobias and the Archangel Raphael Miss Garnet s Angel tells a lyrical incandescent story of love loss miracles and redemption and of one woman s transformation and epiphany

Gospel as Work of Art David Brown, 2024-03-07 A lushly illustrated magisterial exploration of the imaginative truth of the gospel In the modern academy truth and imagination are thought to be mutually exclusive But what if truth can spring from other fonts like art literature and invention The legacy of the Enlightenment favors historical and empirical inquiry above all other methods for searching for truth But this assumption constrains our theological explorations Though the historicity of Jesus s life death and resurrection is important it is not the only thing that matters For instance is John s Gospel any less true than the Synoptics just because it s less historically accurate David Brown challenges us to expand our understanding of the gospel past source criticism and historical Jesus studies to include works of imagination Reading Scripture in tandem with works of art throughout the centuries Brown reenvision the gospel as an open text Scholars of theology and biblical studies freed from literalism will find new avenues of revelation in Gospel as Work of Art This volume includes over one hundred color illustrations
