The tape is an early intimation that Alex is entering a living nightmare. With Milo's help, Alex uncovers a diabolical pattern of violent murder. And if they do not quickly decipher the twisted logic of a stalker's mind game, Alex will be the next to die. **SELF DEFENSE** Exciting, loaded with tension and packed with titillating insights. **The New York Times Book Review** Lucy Lowell is referred to Alex for help with a recurring nightmare of a child in the forest at night watching a strange and furtive act. Now Lucy's dream is disrupting her waking life and Alex is concerned. The dream's grip on her emotions suggests to him that it may be more than a nightmare. It could be Lucy's repressed childhood memory of something chillingly real. Something like murder. *Night Moves* Jonathan Kellerman, 2018 An affluent family returns home from Sunday dinner only to find the murdered and brutalized corpse of a total stranger in their house. This baffling, twisted tale tests Alex and Milo to their intellectual and emotional limits. **Clinical Fictions** Jeffrey Berman, 2025-07-14 *Clinical Fictions: Psychoanalytic Novelists and Short Story Writers* is the first book to explore works of fiction written by prominent psychoanalysts. Broken down into thematic sections, the book traces the literary output of pioneering psychoanalysts such as Julia Kristeva, Bruce Fink, Thomas Odgen, and Gregorio Kohon, among others. Berman looks at works of historical fiction, detective fiction, and the short story and shows how recurring themes typical of these genres can be understood both psychoanalytically and through a literary lens. The works included investigate experiences of childhood adversity, life in dystopian societies, experiences of psychosis, bodily autonomy, personal loss, and above all, trauma. Unpacking these themes and their depiction through fiction, Berman gives the reader the tools to apply psychoanalytic literary theory to further works. Interweaving his personal correspondence with authors, including a heartwarming exchange with Cliff Wilkerson, Berman offers unparalleled access to the inner workings of the writers' minds. This book will be of interest to students and researchers using psychoanalytic literary theory as well as mental health practitioners who are interested in the intersections between literature and psychoanalysis and discovering new ways of probing the unspoken and unconscious. *Bestseller* Robert McParland, 2018-12-15 Whether curled up on a sofa with a good mystery, lounging by the pool with a steamy romance, or brooding over a classic novel, Americans love to read. Despite the distractions of modern living, nothing quite satisfies many individuals more than a really good book. And regardless of how one accesses that book—through a tablet, a smart phone, or a good old-fashioned hardcover—those choices have been tallied for decades. In *Bestseller: A Century of America's Favorite Books*, Robert McParland looks at the reading tastes of a nation from the beginning of the twentieth century to the present day. Through extensive research, McParland provides context for the literature that appealed to the masses, from low-brow potboilers like *Forever Amber* to Pulitzer Prize

winners such as *To Kill a Mockingbird* Decade by decade McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions Profiles of authors with frequent appearances from Ernest Hemingway to Danielle Steel are included along with standout titles that readers return to year after year A snapshot of America and its love of reading through the decades this volume informs and entertains while also providing a handy reference of the country's most popular books For those wanting to learn more about the history of American culture through its reading habits Bestseller *A Century of America's Favorite Books* is a must read **Black Widow Society** Angela Makholwa, 2023-09-01 In 1994 when South Africans were finally seeing the light of freedom and independence three well respected businesswomen Talullah Ntuli Edna Whithead and Nkosazana Dlamini formed the Black Widow Society a secret organisation aimed at liberating women trapped in emotionally and physically abusive relationships by assisting in eliminating their errant husbands For fifteen years the Black Widow Society operated undetected impeccably run by The Triumvirate with the help of their suave and mysterious hired gun Mzwakhe Khuzwayo a slick ex convict meticulous in his responsibilities But as the secret organisation recruits more members the wheels of this well oiled machine are threatening to fall off Will Talullah's controlling streak or Nkosazana's unfettered material aspirations jeopardise the future of the Black Widow Society Or perhaps one of the new recruits unsettled by the reality of the elimination of her former husband will lose her nerve and expose the workings of the group after all this time As the tension mounts Black Widow Society builds to a chilling and bloody climax that will keep you guessing and riveted until the very last page **Private Eyes** Jonathan Kellerman, 2013-02-26 NEW YORK TIMES BESTSELLER The voice belongs to a woman but Dr Alex Delaware remembers a little girl It is eleven years since seven year old Melissa Dickinson dialed the hospital help line for comfort and found it in therapy with Alex Delaware Now the lovely young heiress is desperately calling for the psychologist's help once more Only this time it looks like Melissa's deepest childhood nightmare is really coming true A page turner from beginning to end Los Angeles Times Twenty years ago Gina Dickinson Melissa's mother suffered a grisly assault that left the budding actress irreparably scarred and emotionally crippled Now her acid wielding assailant is out of prison and back in L A and Melissa is terrified that the monster has returned to hurt Gina again But before Alex Delaware can even begin to soothe his former patient's fears Gina a recluse for twenty years disappears And now unless Delaware turns crack detective to uncover the truth Gina Dickinson will be just one more victim of a cold fury that has already spawned madness and murder **Bad Love** Jonathan Kellerman, 1994 It came in a plain brown wrapper no return address an audiocassette recording of a horrifying soul lacerating scream followed by the sound of a childlike voice delivering the enigmatic and haunting message Bad love Bad love Don't give me the bad love For Alex Delaware the chant repeated over and over like a twisted nursery rhyme is the first intimation that he is about to enter a living nightmare Others soon follow disquieting laughter echoing over a phone line that suddenly goes dead a chilling trespass outside his home in the middle of the night a sickening act of vandalism He has
