people to do what they otherwise would never conceive of doing In an electrifying psychological jousting match Dance calls up all her skills as an interrogator and kinesics body language expert to get to the truth behind Daniel Pell But when Dance's plan goes terribly wrong and Pell escapes leaving behind a trail of dead and injured she finds herself in charge of her first ever manhunt But far from simply fleeing Pell turns on his pursuers and other innocents for reasons Dance and her colleagues can't discern As the idyllic Monterey Peninsula is paralyzed by the elusive killer Dance turns to the past to find the truth about what Daniel Pell is really up to She tracks down the now teenage Sleeping Doll to learn what really happened that night and she arranges a reunion of three women who were in his cult at the time of the killings The lies of the past and the evasions of the present boil up under the relentless probing of Kathryn Dance but will the truth about Daniel Pell emerge in time to stop him from killing again
