Cold War History: The Secret Battles That Shaped the Modern World (The History and Legacy of the Ussr From World War I to the End of the Cold War) Boyd Norrell, 2011-01-01 The narrative unfolds with a thoughtful exploration of the early tensions that ignited the cold war and gradually transitions into the heart of ideological battles that defined the era The book highlights how propaganda cultural currents and even art played a role in shaping public perception and personal identity against the backdrop of global political maneuvering This blend of macro historical events and micro emotional experiences enables readers to understand not only the geopolitical chess game but also the human cost and resilience woven into that fabric Inside you will read about What was the cold war The origins of the cold war World war ii and the beginning of the cold war The cold war in the 1950s

The cold war in the 1960s The cold war in the 1970s The cold war in the 1980s and the end of the cold war The cold war wasn't a war in the normal sense of the word It was a series of wars protests conflicts and events that took place from after world war ii until 1991 but some people say it still exists The stakes of this war were extremely high Both sides wanted to push their ideas into as many countries as possible and at times were willing to go to war if necessary But a direct war between the ussr and the usa would have meant world war iii which would have very likely been the end of civilization as we know it

Ohio Commandery,1888 At the Dawn of the Cold War Jamil Hasanli,2006-06-29 For half a century the United States and the Soviet Union were in conflict But how and where did the Cold War begin Jamil Hasanli answers these intriguing questions in *At the Dawn of the Cold War* He argues that the intergenerational crisis over Iranian Azerbaijan 1945 1946 was the first event that brought the Soviet Union to a confrontation with the United States and Britain after the period of cooperation between them during World War II Based on top secret archive materials from Soviet and Azerbaijani archives as well as documents from American British and Iranian sources the book details Iranian Azerbaijan s independence movement which was backed by the USSR the Soviet struggle for oil in Iran and the American and British reactions to these events These events were the starting point of the longer historical period of unarmed conflict between the Soviets and the West that is now known as the Cold War This book is a major contribution to our understanding of the Cold War and international politics following WWII
