Confessions of a Diplomatic Pouch Clerk James A. Abrahamson, 2002-06-07 The author was in the U S Foreign Service from 1957 to

1969 This is a true story of his experiences while employed as a diplomatic pouch clerk in the American Consulate General in Sydney Australia and in the U S Embassies in Manila Beirut and Tokyo The story entails his fight with Neo McCarthyites in the State Department the effects in Beirut of the 1967 Six Day War a nuptial quandary with a Japanese Qantas airline stewardess and assorted golfing drinking and sexual divertissements It is punctuated with original insights and with the malaise and anger which has befallen the psyches of Americans of good will following the death of FDR and the assassinations of his potential successors *The Confessions of Matthew Strong* Ousmane K. Power-Greene,2022-10-11 A wildly original incendiary story about race redemption the dangerous imbalances that continue to destabilize society and speaking out for what's right One could argue the story begins the night Allegra Douglass is awarded Distinguished Chair in Philosophy at her top tier university in New York the same night her grandmother dies or before that the day Allie left Birmingham and never looked back Or even before that the day her mother disappeared But for our purposes Allie's story begins at the end when she is finally ready to tell her version of what happened with a white supremacist named Matthew Strong From the beginning Allie had the clues in a spate of possibly connected disappearances of other young Black women in a series of recently restored plantation homes in letters outlining an uprising in maps of slave trade routes and old estates in hidden caves and buried tunnels and finally in a confessional that should never have existed They just have to make a case strong enough for the FBI and police to listen This is when Allie herself disappears Allie is a survivor She survived the newly post Jim Crow south she survived cancer and she will survive being stalked and kidnapped by Matthew Strong who seeks to ignite a revolution The surprise in this doesn't lie in the question of will she be taken it lies in how she and her community outsmart a tactical madman *Confessions of a Thug and a Gentleman* Jaz,2015-07-14 Were taught in the hood to never tell From rape to beatings to killings to drugs you never tell or you're considered a snitch This is not a tell all book but my story my journey I've changed most names in this book to protect people's identity I feel everyone should tell their story it heals

executions as a short cut to their salvation Desiring to die repentantly at the hands of divinely instituted government perpetrators hoped to escape eternal damnation that befell direct suicides Kathy Stuart shows how this crime emerged as an unintended consequence of aggressive social disciplining campaigns by confessional states Paradoxically suicide by proxy exposed the limits of early modern state power as governments struggled unsuccessfully to suppress the tactic Some perpetrators committed arson or blasphemy or confessed to long past crimes usually infanticide or bestiality Most frequently however they murdered young children believing that their innocent victims would also enter paradise The crime had cross confessional appeal as illustrated in case studies of Lutheran Hamburg and Catholic Vienna **Fic** Anne Jamison,2013-11-26

The PD Chronicles Jack James,2001-05-24 Lies intrigue illicit affairs kidnapping snitches drug use Sound like the stuff of a daytime TV soap opera The soap dishers should be so creative Those happen to be some of the elements in *The PD Chronicles* a behind the scenes account of what goes on at a radio station in Anytown U S A as told by Jack James a living breathing working program director For obvious reasons this current major market PD uses a pseudonym though one would have to think that sooner or

later a savvy boss would realize the characters populating these chronicles were his very own employees The matter of fact often cynical and mostly hilarious deadpan diary entries give readers a glimpse of what really goes on behind the curtain of an everyday radio station This PD takes you into the hallways the general manager s office the sales department the control room and on air studio the lobby and the bathroom how Ally McBeal of the radio stations where he s worked It s WKRP only the real deal Among other entries we learn that the promotions director tried conducting a hate campaign against the new morning man including posting nasty comments to the station s Web site bulletin board And talked the night deejay into disparaging his embattled A M counterpart Her cover was cracked though and needless to say she s out Then there s the case of the kidnapped T shirts They were lifted by a competitor while one young promotions helper was in the process of giving them away before a stadium concert Turns out the thief hadn t realized he was stealing from a beefy former University of Minnesota football player A possible clue to the PD s whereabouts But we digress In front of a stadium full of concertgoers the jock tackles the hapless absconder giving himself legend status in the process Also in The PD Chronicles we get the I can t make it for my shift job excuse du jour Among them a late night jock who claimed he knocked out his front teeth in a bathroom fall Those sibilant sounds just don t cut it on the air Excuse accepted Until we learn the real reason for the dental disturbance was a drug deal gone bad and that our troubled deejay has had a problem with amphetamine type substances since his teens Turned over to the police by his own grandmother the young addict was headed for a rehab center and a job somewhere else This poor PD seems to have more employee turnover than the Yankees under George Steinbrenner When this PD is discovered and loses his own job he ll have a bright future as a writer Maybe then his relatives who keep asking When are you gonna get a real job will be proud of him
