The Cornered Cat A Womans Guide To Concealed Carry:

The Cornered Cat Kathy Jackson,2010 If you have to fight fight like a cornered cat Cover *Taking Your First Shot* Lynne Finch,2013-06-13 Numbers don't lie more and more women are purchasing guns and learning to shoot While shooting used to be a male dominated sport women across the country have begun discovering that a trip to the range not only is relaxing but also brings with it a sense of strength and empowerment Taking Your First Shot is an introductory guide perfect for either those stepping out onto the range for the first time or those looking to brush up on their skills Author Lynne Finch coaches women on the decision to learn to shoot how to find formal training selecting and purchasing a handgun defensive versus practice ammunition storing and caring for your gun and concealed carry options Along with learning the shooting basics Finch also teaches readers the importance of situational awareness and the basics of self defense Sometimes a gun isn't always an answer and it's important to have a proportional response to the situation Finch begins with teaching readers how to become aware of their surroundings what to watch for and how to respond From there she goes on to define proportional response and why carrying pepper spray a kubotan or even a whistle can make all the difference Learning to shoot is a personal decision but with the proper training and practice shooting can become both an enjoyable and liberating sport

Glamping with MaryJane MaryJane Butters,2012-09-01 Glamour camping is about the juxtaposition of rugged and really pretty grit and glam diesel and absolutely darling The New York Times Glamping unleashing your inner wild while wearing a pair of fishing lure earrings is for every woman or man who ever had a get away from it all fantasy with a few frilly embellishments thrown in Learn about the never fail campfire cooking with cast iron how to change a flat and much much more Like the infamous Calamity Jane who said I figure if a girl wants to be a legend she should go ahead and be one MaryJane Butters coined the term glamping years ago when she founded her unusual Idaho canvas wall tent bed breakfast which was featured in The New York Times Magazine and Travel Leisure as the place to be Legend status achieved MaryJane lives in Moscow Idaho where she runs her many businesses which include a successful organic farm product lines a bed breakfast and MaryJanesFarm magazine This is her fourth book One busy hectic afternoon in my house I sat down to take a quick peek at Glamping Over two hours later I was still reading blissfully lost in MaryJane's beautiful world I'm dying over this book I absolutely positively LOVE IT Ree Drummond New York Times bestselling author of The Pioneer Woman Cooks

The Lives of Guns Jonathan Obert,Andrew Poe,Austin Sarat,2018-09-03 Guns have never been as prevalent in American culture as they are at this moment Most contemporary conversations on guns either highlight the gun as just a tool used in mass killings or a right to be fiercely defended eventually whatever progress these debates foster in the public conversation tend to halt altogether once the old cliché guns don't kill people people kill people is trotted out These gun control and gun violence discussions take the gun as passive object ignoring the changing effects and the very agency that guns may deploy as politicized objects What happens if we reset the conversation and admit that guns and not the people behind them kill

people The Lives of Guns offers a new and compelling way of thinking about the role of the gun in our social and political lives In gathering ideas from law science studies sociology and politics each chapter turns the stale standard gun conversations around by investigating the gun as an object with agency In approaching guns from a technological perspective down to the very science of how they are created and how they fire The Lives of Guns takes up a number of questions such as How does the presence of these objects shape civic ideology What does it mean to develop and care for gun and gun accessories technology What do guns mean to those who build them versus those who fight for and against them What could happen when drone technology meets gun technology In bringing together fresh perspectives from leading lawyers political scientists and historians The Lives of Guns promises to move the gun debate forward by opening up new ways of thinking about these issues and broadening the scope of these perennial debates Guns and Contemporary Society Glenn H. Utter,2015-12-01 This three volume set examines various approaches to firearms including constitutional and legal issues public health and criminal justice concerns and perspectives on personal safety and self defense Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control In this hard hitting compilation experts delve into various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence Female and Armed Lynne Finch,2015-06-09 In Female and Armed Lynne Finch offers an information packed follow up to her first book Taking Your First Shot Based on questions and requests from readers this book addresses more advanced techniques for personal defense as well as range drills to help readers practice and hone those skills It s important to know how to defend yourself and Finch provides the building blocks necessary to successfully navigate some dangerous real life scenarios Be it a carjacking robbery or home invasion readers will learn how to protect themselves and their family Female and Armed introduces readers to more advanced situational awareness techniques and builds upon their previous shooting experience by teaching them how to responsibly handle and carry a concealed handgun Finch covers the advances in female holsters and discusses the various ways to carry as well as the importance of having a primary carry method In addition to this topics include handgun retention defensive draw stroke and defensive reloading

shooting from an unstable platform and shooting from within a car Knowing how to handle yourself can make all the difference in a stressful and dangerous situation This guide also includes defensive tactics when confronted by an assailant armed with a gun or knife Brimming with full color photos this approachable guide is written in Finch s distinctive conversational and nonthreatening style It is great for the novice shooter looking to advance and for the more experienced shooter looking for tips to improve her shooting **Country Guide and Nor'west Farmer** ,1925 **The Braided Path** Chris Wooding,2012-04-05 An omnibus volume of the acclaimed oriental fantasy from one of the genre s most exciting young talents The empire of Saramyr has relied on the secretive sect of Weavers for far too long Now the Weavers manipulating space and time through the Weave of existence are plotting the overthrow of the families Their motives twisted by the Witchstones they draw their power from As the empire crumbles the disowned abbearant daughter of the empire and a few scattered rebels must find out the secret of the true nature of the witchstones and rescue the empire from depravity and the rule of demons Chris Wooding has an unrivalled flair for Machiavellian plotting explosive description and memorable young characters This is the ideal first adult fantasy for his teenage fans The Motion Picture Guide Jay Robert Nash,Stanley Ralph Ross,1985 The Weavers Of Saramyr Chris Wooding,2010-08-26 A richly textured darkly evocative fantasy set in a beautifully realised fantasy world the Saramyr trilogy tells the story of an empire that rules over a land being overwhelmed by evil An evil that comes from within the empire s centre a sect of magicians close to the throne intent on killing any child born with magical powers But now the empress has given birth to just such a child and revolution is brewing Akin to the works of Robin Hobb this is a hugely involving fantasy set in a world with an enticing oriental flavour The Woman's Magazine ,1914 *The Budget story books* Budget story books,1897 Time Out Film Guide John Pym,2000 From TimeOut magazine comes this ninth edition of its film guide that features stills and information on the films covered in the pages of the magazine *Indianapolis Monthly* ,2004-09 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape
