The Cowboy Inherits a Bride Cora Seton, 2015-10-06

When Sunshine Patterson loses her Chicago home, job, and boyfriend in one day, she needs a backup plan fast. Luckily, her Aunt Cecily has provided her with the perfect combination living and restaurant space to start over. Even though the building is located in small town Chance Creek, Montana, Sunshine is certain it's only a matter of time before she's back to take the big city by storm. When she arrives in Chance Creek, however, she gets a surprise. Her restaurant space and apartment are occupied by a rival to her inheritance, the incredibly sexy, incredibly wrong for her, Cole Linden. Cole's been struggling to save his family's holdings for far too long. The indoor rifle range he inherited from his father barely pays its rent, but it's all that's keeping his other concerns, two apartment houses afloat. If he was smart, he'd walk away from all of it and start over, but if he does, several dozen of Chance Creek's inhabitants will find themselves without a home. He thought Cecily meant to leave him the range building in her will. Instead, she's set him up in a four-month-long competition with her big city niece to see who will win the place. A niece whose knockout looks are making it damn hard for him to concentrate on the job at hand. Sunshine can't believe she'll have to open a vegan restaurant in a rifle range waiting room, and she can't believe she'll have to share her apartment with Cole. Either Cole can't believe his friends are falling over themselves to help Sunshine succeed and get a date with her. Now the competition is getting hot, but the sparks flying between them are even hotter. Can Cole and Sunshine find a way they both can win?
