Voice of the Leopard Ivor L. Miller, 2010-01-06 In Voice of the Leopard African Secret Societies and Cuba Ivor L. Miller shows how African migrants and their political fraternities played a formative role in the history of Cuba During the eighteenth and nineteenth centuries no large kingdoms controlled Nigeria and Cameroon s multilingual Cross River basin Instead each settlement had its own lodge of the initiation society called kp or leopard which was the highest indigenous authority kp lodges ruled local communities while also managing regional and long distance trade Cross River Africans enslaved and forcibly brought to colonial Cuba reorganized their kp clubs covertly in Havana and Matanzas into a mutual aid society called Abaku which became foundational to Cuba s urban life and music Miller s extensive fieldwork in Cuba and West Africa documents ritual languages and practices that survived the Middle Passage and evolved into a unifying charter for transplanted slaves and their successors To gain deeper understanding of the material Miller underwent kp initiation rites in Nigeria after ten years collaboration with Abaku initiates in Cuba and the United States He argues that Cuban music art and even politics rely on complexities of these African inspired codes of conduct and leadership Voice of the Leopard is an unprecedented tracing of an African title society to its Caribbean incarnation which has deeply influenced Cuba s creative energy and popular consciousness

The Select London Stage ; a Collection of the Most Reputed Tragedies, Comedies, Operas, Melo-dramas, Farces, and Interludes ,1824 *The London Stage* ,1824 *The Invasion of the Funky Pastors* Harry N. Agina,2010 When I left Nigeria as a boy for the USA in search of the proverbial greener pastures there was Christianity and there was the African Culture in Nigeria both of which I had grown up in Christianity fed me with the word of God while my African Culture made me desirably and proudly different from a white man an Indian Mexican or Asian That was many years ago in the mid1900s Today when I visit my little remote African village to enjoy some of the cultural values that I have missed so much while in the western world my brethren in the village tell me that the culture is no more Indeed the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion The people's excuse is that they have seen the light in their new wave Christianity Some traditionalists are not taking the culture abuse lying down and with their fire for fire response to the Christian zealots there is truly a war of cultures in Nigeria I am right in the middle of it and this is my story I must prepare my reader's mind for my general hardnosed criticism of Nigerian Commercial Church in this story I lament that too many Christians are willfully

making mischief and a whole lot of money all in the name of God I am a devout Christian and would never advertently say one bad word against Christianity or any religion for that matter My grouse is with the growing number of mischievous funky pastors their zombie like followers their gross misinterpretation of the Holy Bible and the war that they have declared against the African Culture One might even say that my criticism is venomous but I call it brutally frank or frankly brutal
