Gustave Le Bon is highly recommended His work on crowd psychology became important during the first half of the twentieth century when it was used by media researchers such as Hadley Cantril and Herbert Blumer to describe the reactions of subordinate groups to media The Crowd Gustave Le Bon,2014-01 In this fascinating book Gustave Le Bon examines the psychology of crowds He posits that crowds have personalities just like individuals and that individuals change when part of a crowd The most careful observations seem to prove that an individual immersed for some length of time in a crowd in action soon finds himself either in consequence of the magnetic influence given out by the crowd or from some other cause of which we are ignorant in a special state which much resembles the state of fascination in which the hypnotized individual finds himself in the hands of the hypnotizer The activity of the brain being paralysed in the case of the hypnotized subject the latter becomes the slave of all the unconscious activities of his spinal cord which the hypnotizer directs at will The conscious personality has entirely vanished will and discernment are lost All feelings and thoughts are bent in the direction determined by the hypnotizer This edition has been completely reset in fresh type **The Crowd: A Study of the Popular Mind - Crowd Psychology** Gustav Le Bon,2018-08-28 Le Bon s superb and innovative study of crowd psychology is published here without abridgment First appearing in the 1890s Gustav Le Bon s account of the crowd is an important work of early psychology In life Le Bon was famous for mastering aspects of several scientific disciplines forging progress in each This is true with his investigations on crowd psychology compiled in this book Le Bon first examines the mental characteristics of all crowds Whether they possess moral constraints can adopt ideas or reason out circumstances or carry a religious undercurrent is investigated The second part investigates the various beliefs and sentiments which can develop within a crowd What opinions a crowd may form about aspects remote to it and close to it are discussed All are impeccably and comprehensively categorized by Le Bon who turns to each in detail The book s final stages classify various different crowds He discusses types of crowd defined as criminal such as rioters and looters **The Crowd** Gustave Le Bon,2019-08-21 The Crowd A Study of the Popular Mind is a book authored by Gustave Le Bon that was first published in 1895 The Crowd Gustav Le Bon,2016-11-15 Le Bon s superb and innovative study of crowd psychology is published here without abridgment First appearing in the 1890s Gustav Le Bon s account of the crowd is an important work of early psychology In life Le Bon was famous for mastering aspects of several scientific disciplines forging progress in each This is true with his investigations on crowd and group psychology which he compiled in this book In this treatise Le Bon identifies a number of common characteristics all crowds possess The first part Le Bon examines the mental characteristics of all crowds Whether they possess moral constraints can adopt ideas or reason out circumstances or carry a potential of religious undercurrent is investigated The second part investigates the various beliefs and sentiments which can develop within a crowd What opinions a crowd may form about aspects remote to it and close to it are discussed All are impeccably and comprehensively categorized by Le Bon who turns to each in detail The book s final stages classify various different crowds

He discusses types of crowd defined as criminal such as rioters and looters before turning to groups such as criminal juries and the crowds present at political rallies and elections Finally the behavior of elected officials in crowded assembly rooms is also considered While partly theoretical Le Bon s examinations of The Crowd as an entity remains valuable in the modern day He identified the impulsive behavior irritability and poverty of reason present in a typical crowd and characterized those within a crowd as being under a type of frenzied hypnosis The Crowd Gustave Le Bon,2008-06 The Crowd A Study of the Popular Mind is a brilliant treatise on the workings of crowds Gustave Le Bon examines many different kinds of crowds and how they work He differentiates between different kinds of crowds such as mobs juries elected bodies and simple crowds This landmark book is one of the most influential books ever written on this subject An important book for anyone studying or working in the fields of sociology law and psychology **Gustave Bon Classics: the Crowd a Study of the Popular Mind** Gustave Bon,2020-03-18 Le Bon discusses several characteristics of crowd psychology *The Crowd* Gustave Lebon,2010-10-19 Crowds doubtless are always unconscious but this very unconsciousness is perhaps one of the secrets of their strength Gustave Le Bon gives insight into the general characteristics and mental unity of a crowd its sentiments and morality ideas reasoning power imagination opinions and much more **The Crowd** Gustave Le Bon,2020-06-05 The beginning of a revolution is in reality the end of a belief In the book The Crowd Le Bon argues that there are several characteristics of crowd psychology impulsiveness irritability incapacity to reason the absence of judgement of the critical spirit the exaggeration of sentiments and others Gustave Le Bon 1841 1931 was a prominent French polymath born in Nogent le Rotrou France His areas of interest included topics such as sociology psychology anthropology and others He is best known for his work The Crowd A Study of the Popular Mind The Crowd Gustave Bon,2021-05-03 In the book Le Bon claims that there are several characteristics of crowd psychology impulsiveness irritability incapacity to reason the absence of judgement of the critical spirit the exaggeration of sentiments and others **The Crowd a Study of the Popular Mind** Gustave Le Bon,2025-07-10 The Crowd: A Study of the Popular Mind (Classic Reprint) Gustave Le Bon,2015-09-27 Excerpt from The Crowd A Study of the Popular Mind The following work is devoted to an account of the characteristics of crowds The whole of the common characteristics with which heredity endows the individuals of a race constitute the genius of the race When however a certain number of these individuals are gathered together in a crowd for purposes of action observation proves that from the mere fact of their being assembled there result certain new psychological characteristics which are added to the racial characteristics and differ from them at times to a very considerable degree Organised crowds have always played an important part in the life of peoples but this part has never been of such moment as at present The substitution of the unconscious action of crowds for the conscious activity of individuals is one of the principal characteristics of the present age About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art
