The Crusading Guide Ghana:

A Decade of Democracy in Africa ,2002-10-31 The democratic experiment in Africa has had a checkered history over the past ten years Analysts of this process tend to focus on the political and legal space instead of including broader issues such as norms generational change and class Authors in this volume argue that African civil society is less likely to support democracy they measure African democracy by the women s rights movements unravel the mythical hope of technology and point to ideological capitulation necessary for a limited transition Past experience from Botswana South Africa Ghana Kenya Uganda and Madagascar will give the readers an understanding of democracy in Africa Contributors are Judith van Allen Lisa Aubrey Nigel Gibson Richard R Marcus Kenneth Mease Stephen N Ndegwa Stephen Orvis Dan Ottemoeller and Wisdom J Tettey Ghana's New Christianity, New Edition Paul Gifford,2004-07-15 A sober firsthand look at evangelical Christian churches in Accra Ghana

The Social Problems of Children in Sub-Saharan Africa Jerry Hollingsworth,2013-01-04 Today in Sub Saharan Africa the HIV AIDS pandemic is creating millions of AIDS orphans who languish away in orphanages that lack the resources to take care of them Millions of other children are living on the streets trying to survive on their own leaving them vulnerable to unscrupulous individuals who are exploiting them for the sex tourism business or recruiting them into hazardous labor situations that injure or maim them Other vulnerable children are abducted into the military as child soldiers and forced to commit horrific crimes that will haunt them forever The educational system in Sub Saharan Africa continues to decline as resources dwindle along with education expenditures and governments spend more money on ammunition than books As the AIDS epidemic spreads across the continent of Africa the numbers of professionals such as doctors nurses and teachers are dwindling leaving the educational and medical communities weakened Meanwhile the growth and development of Africa continues to stagnate More and more failed social policies surface from the Western world such as forced austerity measures from the IMF and the World Bank along with the Structural Adjustment Programs that hinder further growth and prosperity on the continent The Social Problems of Children in Sub Saharan Africa identifies and describes the numerous problems that children in Sub Saharan Africa are facing today The author has lived in Ghana West Africa and has used an ethnographic approach in order to better understand some of the most critical problems concerning children in the poorest region on earth Sub Saharan Africa Critical Perspectives on Politics and Socio-Economic

Development in Ghana ,2003-04-01 This volume provides a comprehensive and integrated analysis of Ghanaian politics economy and society outlining tensions dilemmas and prospects that the country has to contend with The chapters critically examine the performance and prospects of democratic institutions and processes responses to and impact of economic policies and programs and how culture intersects with the preceding developments to shape socio economic and political institutions and practices The collection is divided into four thematic sections Politics the State and Democratic Consolidation Economic Crisis and Neo Liberal Reforms Responses and Implications Indigenous Institutions and the Shaping of

Development Culture Indigenous Knowledge and Development It combines rich recent empirical material with sophisticated theoretical analyses and brings unique interdisciplinary perspectives to bear on the issues examined Contributors include Bruce J Berman Joseph R A Ayee Wisdom J Tettey Senyo Adjibolosoo Korba P Puplampu Peter Arthur Edna D Djokoto Asem Kobena T Hanson Baffour K Takyi Isaac Addai Donald I Ray Louis Awanyo Charlotte Kesson Smith Henry M Codjoe George J Sefa Dei and Kwamena Kwansah Aidoo Ghana: 50 Year of Independence Joseph Godson Amamoo,2011-12-16 A comprehensive review of major political events in Ghana with critical comments during the past 50 years The book takes off where its predecessor The New Ghana the international best seller published in 1958 Ghana s first independence anniversary ended Absorbing balanced and detailed it is nevertheless controversial and challenging Unique for its vignettes on all the major personalities of the five decades that the author has been privileged to interact with The book challenges certain myths about the Trans Atlantic Slave Trade The slow rate of development in Ghana in particular and Africa in general the reasons why Ghana despite its vast natural and mineral resources is still a developing country Traditions and customs which negate the rapid development of Ghana and robustly reviewed What killed Nkrumah Was Nkrumah anti white These are only a few of the interesting questions that the book attempts to answer The book which is unique in many ways ends on a note of hope and expectation that the next 5 years would be better than the last half century Only time can tell **The Economy of Ghana Sixty Years After Independence** Ernest Aryeetey,S. M. Ravi Kanbur,2017 This volume assesses the challenges facing Ghana s economy as it enters its seventh decade and the nation heads towards three quarters of a century of independence **The Corruption Notebooks 2009** Global Integrity,Hazel Feigenblatt,2011 **Ghana** Kwame Boafo-Arthur,2013-07-04 Ghana has witnessed a revolution through the ballot box since its return to constitutional rule in 1993 Yet this period of sustained democratic government in an era of globalization and liberal triumphalism has brought with it new demands How has Ghana faced up to the problems of institution building state market relations and democratic leadership Can it deal with the challenges posed by security human rights and foreign policy in the twenty first century This unique collection interrogates all these issues and assesses the future of the democratic experiment in one of sub Saharan Africa s rare islands of peace In doing so it provides an invaluable guide to Ghana s political past present and future *Neoliberal Frontiers* Brenda Chalfin,2010-07-15 In *Neoliberal Frontiers* Brenda Chalfin presents an ethnographic examination of the day to day practices of the officials of Ghana s Customs Service exploring the impact of neoliberal restructuring and integration into the global economy on Ghanaian sovereignty From the revealing vantage point of the Customs office Chalfin discovers a fascinating inversion of our assumptions about neoliberal transformation bureaucrats and local functionaries government offices checkpoints and registries are typically held to be the targets of reform but Chalfin finds that these figures and sites of authority act as the engine for changes in state sovereignty Ghana has served as a model of reform for the neoliberal establishment making it an ideal site for Chalfin to explore why the restructuring of a state on the

global periphery portends shifts that occur in all corners of the world At once a foray into international political economy politics and political anthropology Neoliberal Frontiers is an innovative interdisciplinary leap forward for ethnographic writing as well as an eloquent addition to the literature on postcolonial Africa **Daily Graphic** Yaw

Boadu-Ayeboafah,2005-12-22 **Taxation in Ghana: a Fiscal Policy Tool for Development** Dr. George

Appiah-Sokye,2021-07-01 The first edition of this book Taxation in Ghana A Fiscal Policy Tool for Development is the product of considerable tax research from 1943 to 2018 spanning a period of 75 years and grounded in knowledge and concepts as well as applications through an extended period of tax practice teaching and learning combined with international exposure A lot of insights have been illuminated based on lessons learned and drawn from other countries including the United States of America to enrich the contents Against the backdrop of the dynamic nature of taxation and fiscal policy Most of the existing taxation books in Ghana focused on tax practice So the purpose of this book is to bridge the taxation scholarship gap In addition to traditionally treated topics in most taxation books in Ghana the novelty in this book is the inclusion of important topics on tax planning tax reforms and tax administration and many more As a result specific recommendations have been proffered for the consideration of policy makers in developing countries References and Acts of Parliament supported by appendices have been provided for further studies on the subject A true story of the first major oil discovery in Ghana by Mr George Yaw Owusu with M Rutledge McCall published 2017 in the United States of America In Pursuit of JUBILEE was used to enrich the discussion on petroleum Oil and Gas in Chapter 48 of this textbook Additionally Apostle Professor Opoku Onyinah of the Church of Pentecost has been presented for his phenomenal transformational leadership in Africa in Chapter 66 The book has been designed for 1 Individual study 2 Group study 3 Lecture material 4 Policy Manual and 5 library or reference *Daily Graphic* Ransford Tetteh,2011-02-09 *The Politics of Government-Business Relations in Ghana, 1982-2008* D. Opoku,2015-10-14 Since the early 1980s the World Bank backed by aid donor countries has been involved in a determined effort to stimulate capitalist growth in Africa by prescribing a set of orthodox neoliberal economic policies Using Ghana as a case study this book considers why this is the case [The History of Ghana](#) Roger S.

Gocking,2005-06-30 Gocking provides a historical overview of Ghana from the emergence of precolonial states through increasing contact with Europeans that led to the establishment of formal colonial rule by Great Britain at the end of the 19th century Colonial rule transformed what was known as the Gold Coast economically socially and politically but it contained the seeds of its own demise After World War II an increasingly more effective nationalist movement challenged British rule and in 1957 Ghana became independent Independence brought its own challenges the most important of which was the inability to maintain political stability Within the space of 24 years there were four military coups and the collapse of three republics Ghana's Fourth Republic established in 1993 has dealt with the legacy of instability inherited from the past as it moves towards a more stable future A timeline photographs maps and an appendix of biographies of notable figures in the

history of Ghana are included Students and adults alike will find this book to be highly effective in describing the often turbulent and tumultuous history of this country

Undercover Reporting Brooke Kroeger,2012-08-31 In her provocative book Brooke Kroeger argues for a reconsideration of the place of oft maligned journalistic practices While it may seem paradoxical much of the valuable journalism in the past century and a half has emerged from undercover investigations that employed subterfuge or deception to expose wrong Kroeger asserts that undercover work is not a separate world but rather it embodies a central discipline of good reporting the ability to extract significant information or to create indelible real time descriptions of hard to penetrate institutions or social situations that deserve the public s attention Together with a companion website that gathers some of the best investigative work of the past century Undercover Reporting serves as a rallying call for an endangered aspect of the journalistic endeavor

The Politics of Economic Reform in Ghana Richard Aidoo,2019-05-13 This book explores the significant economic transformation of Ghana over the three decades since the end of the Cold War focusing on the role of political economic change and reform The Politics of Economic Reform in Ghana presents a range of perspectives from scholars drawn from both academia and policy making on the way Ghanaian economic reforms have been shaped by various political and economic actors First it establishes and debates the uniqueness of Ghana as a case study in Africa and the developing world Second the book offers a broad account of how global and domestic political or institutional actors have contributed to shaping economic development in Ghana Drawing on theoretical perspectives the volume assesses how major political economic changes have affected Ghana s economic development This book will be of interest to students scholars policymakers and organizations interested in the economic and political advancement of Africa as well as African Politics and Economics

A History of Women in Politics in Ghana 1957-1992 Eric Sakyi Nketiah,2010-11-09 This work examines the history of Ghanaian women s involvement in the politics of the country prior to the launch of the Fourth Republic in January 1993 The political history of Ghana prior to 1993 showcases experience with various political systems Ghana for example had the experience of life under Prime Ministers Presidents and Military Heads of State Within all these experimental and sometimes even purely adventurous environments women played various roles The roles however differed from one regime to another This work has tried to briefly tell the political history of Ghana but highlighted the role of women in the life of this young West African country

Ghana Presidential and Parliamentary Elections, 7 December 2012 Commonwealth Observer Group,2013 The Report of the Commonwealth Observer Group for the Ghana Presidential and Parliamentary elections held 7 December 2012 The Group was led by HE Dr Pakalitha Mosisili MP former Prime Minister of Lesotho and comprised thirteen eminent persons in total The Group found that the elections were credible and highlighted the role of the Electoral Commission It offered a series of recommendations to help improve some technical aspects of the process and also the environment in which elections occur

Oiling the Urban Economy Franklin Obeng-Odoom,2014-06-13 This book presents a critical analysis of the resource curse doctrine and a

review of the international evidence on oil and urban development to examine the role of oil on property development and rights in West Africa's new oil metropolis Sekondi Takoradi Ghana. It seeks answers to the following questions: In what ways did the city come into existence? What changes to property rights are oil prospecting, explorations and production introducing in the 21st century? How do the effects vary across different social classes and spectrums? To what extent are local and national institutions able to shape, restrain and constrain transnational oil-related accumulation and its effects on property in land, property in housing, residential leisure and commercial and property in labour? How do these processes connect with the entire urban system in Ghana? This book shows how institutions of varying degrees of power interact to govern land, housing and labour in the city and analyses how efficient, sustainable and equitable the outcomes of these interactions are. It is a comprehensive account of the tensions and contradictions in the main sectors of the urban economy, society and environment in the booming Oil City and will be of interest to urban economists, development economists, real estate economists, Africanists and urbanists.

Africa's World Trade Margaret C. Lee, 2014-10-09

Are Africa's world markets really contributing to development across the continent for individuals, nations and regions? This is the key question posed by Margaret Lee in this provocative book in which she argues that all too often the voices of African traders are obscured amid a blizzard of statistical analysis. However, it is these very voices from those operating on the ground as formal or informal traders that must be listened to in order to form a true understanding of the impact trade regimes have on these individuals and their communities. Featuring a wealth of oral histories from across sub-Saharan Africa and beyond, including Africans in China, *Africa's World Trade* offers a unique insight into how the complexity of international trade agreements can shape the everyday lives of ordinary Africans.
