The Curse Of The Flame The Hot Days:

THE ODD SIDE OF LIFE... Ann Sears,2024-11-13 Instead of writing about what most people would consider sharing in public Ann uses prose and poetry for topics that include everything from childhood to aging sickness and death also dealing with a loved one with PTSD She hopes her experiences will help others relate and trust in God to carry them through the challenging times as well as the joy of living each day

The Curse on the Chosen Ian Irvine,2007-10-30 The allies are trapped on Mistmurk Mountain and the God Emperor guards every way of escape There s only one chance left for demure little Maelys to confess to a crime she has not committed though if she does it must turn her friends against her And even if they can escape through the perilous shadow realm the God Emperor s armies will hunt them to the ends of the world Nish Flydd and Maelys have no choice but to trek to the Tower of a Thousand Steps on the frozen Isle of Noom There they must seek aid from the implacable sorcerer who has controlled the world for an unknown but terrible purpose for more than a century the Numinator But on that tragic journey they will uncover a deadly secret a folly that has been shaping life and death in the Three Worlds for over three thousand years and now threatens to consume them all You won t want to miss this unflaggingly inventive fantasy series by million selling author Ian Irvine What reviewers say about the Three Worlds books A compelling adventure in a landscape full of wonders Locus A page turner of the highest order Formidable SFX on Geomancer It is the most engrossing book I ve read in years Van Ikin Sydney Morning Herald Readers of Eddings Goodkind and Jordan will lap this one up Starlog Utterly absorbing Stephen Davenport Independent Weekly For sheer excitement there s just no one like Irvine SFX on The Destiny of the Dead As good as anything I have read in the fantasy genre Adelaide Advertiser Reviews of The Song of the Tears trilogy Hang on with both hands because this story waits for no one Sandy Auden SFX on The Fate of the Fallen The final payoff is fantastic The most unflaggingly inventive storyteller we ve seen in years Sydney Morning Herald on The Destiny of the Dead Unbelievably Irvine has managed to increase the pace of his story in this third and final volume for sheer excitement there s just no one like Irvine around at the moment SFX on The Destiny of the Dead This precise and beautifully crafted novel blooms from its ascetic opening to a resonant and rewarding climax Makes what s currently available on fantasy
