In My Own Name Maureen McTeer, 2011-03-18 At the age of 50 lawyer and activist Maureen McTeer takes stock of an incredibly eventful life In a book that will be inspirational for women of all ages McTeer shares the struggles and triumphs of a private person living in the public eye Throughout her adult life Maureen McTeer has played many roles often simultaneously lawyer mother author public speaker activist parliamentary candidate scholar volunteer Perhaps most visibly she has been cast as the Political Wife criticized for years by those who believed that keeping her name when she married Joe Clark was a sign she was not deferential enough to men For the first time In My Own Name tells Maureen McTeer's story In a voice that is as entertaining warm and funny as it is inspiring and insightful she outlines the struggles and triumphs of what it means to work for justice and for equity and to be her own woman in an era of extremely mixed messages Born and raised in Ottawa the twenty year old Maureen McTeer was already a seasoned political worker when she went to work for a young M P from Alberta Joe Clark By the time she was 22 they were married While fulfilling the many duties of a politician's wife McTeer also attended law school and gave birth to her daughter Catherine in 1976 The following years would prove to be a time of personal and political highs and lows for the family Following his sojourn at the pinnacle of Canadian political power Joe Clark remained a dedicated Cabinet minister and parliamentarian while McTeer continued to rise to new challenges in her career In My Own Name is filled with personal stories that are often moving and always revelatory In her own words Complacency and self satisfaction are not options for me in this next half of my life They never were and they never will be I have always been out of step frowning upon the easy comfort of the status quo I realize fully that my refusal to conform to society's narrow definitions labelled me early on as a person of controversy Even today this reputation for contrariness lingers I kept my name when it was unpopular and became a feminist before it was fashionable I was one of the first wave of women professionals who sought to balance family and work and refused to choose one over the other

Emergency Chronicles Gyan Prakash, 2021-07-06 The gripping story of an explosive turning point in the history of modern India On the night of June 25 1975 Indira Gandhi declared a state of emergency in India suspending constitutional rights and rounding up her political opponents in midnight raids across the country In the twenty one harrowing months that followed her regime unleashed a brutal campaign of coercion and intimidation arresting and torturing people by the tens of thousands razing slums and imposing compulsory sterilization on the poor Emergency Chronicles provides the first comprehensive account of this understudied episode in India's modern history Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely by Gandhi's desire to cling to power arguing that it was as much the product of Indian democracy's troubled relationship with

popular politics Drawing on archival records private papers and letters published sources film and literary materials and interviews with victims and perpetrators Prakash traces the Emergency's origins to the moment of India's independence in 1947 revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest which Gandhi sought to crush by paradoxically using the law to suspend lawful rights Her failure to preserve the existing political order had lasting and unforeseen repercussions opening the door for caste politics and Hindu nationalism Placing the Emergency within the broader global history of democracy this gripping book offers invaluable lessons for us today as the world once again confronts the dangers of rising authoritarianism and populist nationalism [The Berean's Casket and Repository](#)
