The Detox Nutrition Workbook Sixty Days To A New You:

The Detox and Nutrition Workbook Brent Baldasare, 2014-12-05 Most of us equate a detox and weight loss with deprivation We think hunger weird food cucumber juice and maybe even enema therapy We might feel better at the end but is it really worth the pain and suffering The thing is you don't have to suffer There's another kind of detox that's all about amazing delicious food It's a new kind of detox that's a giant jumpstart for your health and a reboot for your metabolism It's fun easy to do and a direct route to feeling fabulous It's what I do with my patients and you can do it to dramatically transform your life in the next 60-90 days Over the last 15 years I've taken care of thousands of patients who suffered from the harmful effects of the toxic foods industrial factory made science projects made with tons of sugar and flour It's done more than make them struggle with weight and fad diets It's completely derailed their health Worse they blame themselves for not being able to succeed at controlling their eating habits or cravings Millions of us over half the population suffer from food sensitivity AKA diet induced inflammation That's when you feel bloated lethargic and just not like yourself Sometimes it's little symptoms such as achy joints or muscles brain fog fatigue headaches allergies or gas or more serious problems such as autoimmune diseases migraines asthma acne irritable bowel reflux arthritis or worse When I use the word detox I mean a scientifically designed medical detox from toxic and inflammatory foods The fun part is that it's done simply by taking out the bad stuff and putting in healthy good stuff lots of good stuff
