femdom tease and denial sex An Exhortation to Chastity ,1766 **Chastity** Erik Varden,2023-10-12 The word chastity at first sight may seem intimidating something to be dismissed out of hand It is however something very different to celibacy At a time when religion is in decline in the Western world and when it often seems that the senses have run riot Erik Varden shows that chastity the single minded direction of the senses is a loveable quality and one that affects and beautifies humankind The terms sexuality and wholeness indicate that to be sexual is to exist in a state of incompleteness longing to be restored Wholeness points to a healing embrace that we desire so greatly In Biblical language chastity is a function of simplicity of sight We are no longer torn apart by our passions and our desires indeed they may reach their fulfilment Body and spirit male and female order and disorder passion and death can move from creative tension to a new kind of wholeness Varden s text is enriched by a wide range of references to scripture literature music painting and sculpture *An Exhortation to Chastity* ,1758 On Chastity ,1830 **Celibacy and Soul** Susan J. Pollard,2015-01-15 Celibacy and Soul Exploring the Depths of Chastity is for women and men who have chosen to live into celibate chastity It is also for those people who live celibate love and though not vowed to a religious calling know the way of celibate love as their path You may find yourself celibate not by choice or you may hope it is a temporary stage Perhaps life interrupted your plans with the death of a loved one the loss of a relationship the situation of illness the trauma of abuse or you simply didn t settle with the desired partner and you want to find meaning in your life as a celibate person Celibacy and Soul is also useful for those in the helping professions as the work of a therapist asks a celibate kind of loving that can be catalyst for change in both clients and practitioners **Treatises on Marriage and Remarriage: To His Wife, An Exhortation to Chastity, Monogamy** Tertullian,1951 Living Fruitfully: Chastity John McKeever,2017-09 If you would be happy be chaste This latest title in the Living Fruitfully series addresses the provocative and often misunderstood subject of chastity Too often considered an exclusively religious option the author makes the case for chastity showing us that as a Christian virtue we are all called to lead a chaste life in keeping with our particular state of life whether married or single ordained or lay young or old The work draws heavily on the teaching and example of the saints beginning with a retelling of the story of St Augustine and weaving gems from St Thomas Aquinas St Philip Neri and many others There is a specific chapter on tools and spiritual weapons for the fight against temptation and a short selection of prayers to help readers striving for chastity *Chaste, Silent & Obedient* Suzanne W. Hull,1982 *Chastity; Or, Our Secret Sins* Dio Lewis,1875 **A History of Celibacy** Elizabeth Abbott,2000 What causes people to give up sex Abbott s provocative and entertaining exploration of celibacy through the ages debunks traditional notions about celibacy a practice that reveals much about human sexual desires and drives The Courage to be Chaste Benedict J. Groeschel,1985 In this writing Groeschel draws on his wide experience as a psychologist and cure of souls and offers a practical guide to those Christians seeking to lead a chaste single life *A Life of Promise: Poverty, Chastity, Obedience* Francis J.
