British White Trash Mark Schmitt,2018-03-15 White trash is a liminal figure that dramatizes the intersection of race and class Contemporary British novelists like Irvine Welsh Niall Griffiths and John King use this originally US American stereotype to interrogate the racializing discourse of class in British society Their novels are interdiscursive reflections of the figurations of race and class that still haunt the British cultural imaginary British White Trash is the first analysis to comprehensively examine the adaptation of the white trash stereotype in major British novels The study thus contributes to a critical understanding of

racism and classism its cultural representations and its underlying social processes *Cultural Criminology* Jeff Ferrell, Keith Hayward, Jock Young, 2008-09-25 Winner of the ASC Distinguished Book Award for International Research Beautifully written and superbly conceived with illustrations and examples that combine theory and practice across a range of disciplines Cultural Criminology should be read by anyone academics and smart readers alike interested in crime media culture and social theory Bravo to Ferrell Hayward and Young on a tour de force that is at once cool and classic Cultural Criminology will influence the field for a very long time to come Professor Lynn Chancer Hunter College CUNY USA This is not just a book on the present state and possible prospects of our understanding of crime criminals and our responses to both However greatly criminologists might benefit from the authors illuminating insights and the new cognitive vistas their investigations have opened the impact of this book may well stretch far beyond the realm of criminology proper and mark a watershed in the progress of social study as such Zygmunt Bauman Emeritus Professor University of Leeds UK Cultural Criminology offers a fresh new perspective on both criminality and criminal justice It outlines the cultural hegemony of the powerful while also documenting the growing resistance to mindless criminalization and mass incarceration Artfully written the authors also document the work of those consciously creating a new political space to challenge the increasingly global security society that seems inextricably tied up with late capitalism Meda Chesney Lind University of Hawaii at Manoa Creative challenging and controversial a manifesto for mean times Tony Jefferson Visiting Presidential Scholar John Jay College of Criminal Justice USA Here is the definitive book on cultural criminology Lively innovative engaging and accessible Cultural Criminology draws together the work of three of the leading international figures in the field today The book traces the history current configuration methodological innovations and future trajectories of cultural criminology mapping its terrain for students and academics interested in this exciting field The book highlights and analyses issues of representation meaning and politics in relation to crime and criminal justice covering areas such as Crime and the media Everyday life and everyday transgression Popular culture Consumerism Globalisation Social control The use of vignettes case studies and visual material throughout the text brings the subject to life Cultural Criminology is indispensable to students lecturers and researchers in criminology sociology cultural studies and media studies Jeff Ferrell is Professor of Criminal Justice at Texas Christian University and Visiting Professor at the University of Kent Keith Hayward is Director of Studies for Criminology Senior Lecturer in Criminology at the University of Kent Jock Young is Professor of Sociology at the University of Kent and Distinguished Professor at John Jay College CUNY For more information about the authors and cultural criminology see <http://www.culturalcriminology.org> Contemporary British Horror Cinema Walker Johnny Walker, 2015-10-01 Combining industrial research and primary interview material with detailed textual analysis Contemporary British Horror Cinema looks beyond the dominant paradigms which have explained away British horror in the past and sheds light on one of the most dynamic and distinctive yet scarcely talked about areas of contemporary British film production Considering high profile

theatrical releases including *The Descent*, *Shaun of the Dead* and *The Woman in Black* as well as more obscure films such as *The Devil's Chair*, *Resurrecting the Street Walker* and *Cherry Tree Lane*. Contemporary British Horror Cinema provides a thorough examination of British horror film production in the twenty first century. ***White Masculinity in Contemporary Australia*** Andrea Waling, 2019-07-10 Spanning the disciplines of sociology, history, media and cultural studies and popular culture, this book offers a historical exploration of Australian masculine tropes and an examination of contemporary representations of masculinity in the media. With attention to a range of thematic issues including race, gender, sexuality, mythmaking, media representation, class and nationality, it draws on new qualitative research and interview material to investigate the ways in which everyday Australian men take up or reject such ideas. *White Masculinity in Contemporary Australia* thus explores the contradictory resistance to and adoration of ideals of masculinity, forms of Othering used to differentiate the practice of good masculinity from that of bad masculinity, the relationship between heterosexuality, masculinity and Australian sporting culture as central to ideals of masculinity and the existence of differing pressures to be masculine. As such, it will appeal to scholars across the social sciences with interests in gender and sexuality, Australian studies and contemporary popular culture. ***Viva La Madness*** J. J. Connolly, 2012-05-10 The renowned author explores the modern world of international crime in this stunningly original, utterly mesmerizing sequel to *Layer Cake*. Booklist J J Connolly made crime fiction history with his acclaimed debut novel *Layer Cake*, which he adapted into a cult classic film starring Daniel Craig and Sienna Miller. Now Connolly continues the story of his anonymous hero in a novel that once again combines razor sharp dialogue and quick fire violence with a deep knowledge of criminal pathos. From the London underworld, *Viva la Madness* moves to international crime with trans-Atlantic drug deals, money laundering and high tech electronic fraud. In a dazzling combination of London low life, Caribbean high life and Venezuelan drug cartels toting machine guns in Mayfair, our hero's voice and mission are authentic, thrilling and whiplash inducing in equal shares. ***Peculiar Mysteries: Books 1 - 4*** Renee George, 2019-07-31 Shifters, Romance, Humor and Mystery. Check, Check, Check, Check. *Peculiar Mysteries* are Paranormal Shifter Romance Mysteries that give readers a whole town of characters they will grow to love with each additional story added to the series.
