The Cloud Of Unknowing With The Of Privy Counsel:

The Cloud of Unknowing William Johnston, 2012-01-11 THE CLOUD OF UNKNOWING and THE BOOK OF PRIVY COUNSELING are the first explorations in the English language of the soul's quest for God. Written in Middle English by an unknown fourteenth century mystic, THE CLOUD OF UNKNOWING expresses with beauty a message that has inspired such great religious thinkers as St John of the Cross and Teilhard de Chardin as well as countless others in search of God. Offering a practical guide to the life of contemplation, the author explains that ordinary thoughts and earthly concepts must be buried beneath a cloud of forgetting while our love must rise toward a God hidden in the cloud of unknowing. THE BOOK OF PRIVY COUNSELING also included in this volume is a short and moving text on the way to enlightenment through a total loss of self and a consciousness only of the divine. William Johnston, an authority on fourteenth century mysticism and spirituality, provides an accessible discussion of the works detailing what is known about the history of the texts and their author. In a new foreword, Huston Smith draws on his extensive knowledge of the varieties of religious experience to illuminate the relevance of these works for contemporary readers. The Cloud of Unknowing The Author of The cloud of unknowing, 1964

The Complete Cloud of Unknowing, 2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of The Cloud of Unknowing. Rich with insights and perceptions of the obscurity and unknowability of God, this work reveals God as being on an entirely different plane of existence from human beings so different that time-bound human language is inadequate to describe God exhaustively or accurately. Intellect and emotion both fail in seeking God who can only be encountered by rejecting all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing that can be pierced only with a lance of longing love. Now we finally have a translation that captures all of this beauty and complexity without minimizing the nuances, all of which are explained with extensive introductions and accompanying notes. If I could keep with me only two books and a journal, this book would be one of the books. As far as I'm concerned, it's the most important book and among the most influential on Christian prayer in the last two millennia. I'm delighted to endorse this fine new translation and commentary. The Rev. Dr. Chris Neufeld Erdman, University Presbyterian Church, Fresno, CA, author of *Beyond Chaos: Living the Christian Family in a World Like Ours* and *Returning to the Center: Living Prayer in a Distracting World*. The Complete Cloud of Unknowing includes two classics of medieval Christian contemplative spirituality, essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer. They are rich texts full of nuanced wisdom that often gets lost in modern translations. Father John Julian has captured the beauty, humor, and literary elegance of the original versions but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading. I'm excited about this book; it's a title I will recommend both to beginners and to longstanding students of The Cloud. Carl McColman, author of *Answering the Contemplative Call* and *The Lion, the Mouse, and the Dawn Treader*. **The Cloud of Unknowing and the Book of**

Privy Counseling William Johnston, 1944 The Cloud of Unknowing and Other Treatises [The Epistle of Privy Counsel]
 Justin McCann, 2014-02 2014 Reprint of 1952 Revised Edition Full facsimile of the original edition The Cloud of Unknowing is an anonymous work of Christian mysticism written in Middle English in the latter half of the 14th century Along with The Cloud were written six accompanying treatises Chief among these is Epistle of Privy Counsel which is also reproduced in this text The Cloud is a spiritual guide on contemplative prayer The underlying message of this work proposes that the only way to truly know God is to abandon all preconceived notions and beliefs or knowledge about God and be courageous enough to surrender your mind and ego to the realm of unknowingness at which point you begin to glimpse the true nature of God The book counsels a young student to seek God not through knowledge and intellection faculty of the human mind but through intense contemplation motivated by love and stripped of all thought This is brought about by putting all thoughts and desires under a cloud of forgetting and thereby piercing God's cloud of unknowing with a dart of longing love from the heart **The Cloud of Unknowing** Justin McCann, 1964 **The Cloud of Unknowing, Together with the Epistle of Privy Counsel by an English Mystic of the XIVth Century** Cloud of unknowing, 1952 The Cloud of Unknowing, Together with 'The Epistle of Privy Counsel', by an English Mystic of the 14th Century, 1964 **Cloud of Unknowing** Cloud Of Unknowing ..., 1952

The Cloud of Unknowing, 2009-04-14 This anonymous fourteenth century text is the glory of English mysticism and one of the most practical and useful guides to finding union with God ever written Carmen Acevedo Butcher's new translation is the first to bring the text into a modern English idiom while remaining strictly faithful to the meaning of the original Middle English The Cloud of Unknowing consists of a series of letters written by a monk to his student or disciple instructing him or her in the way of Divine union Its theology is presented in a way that is remarkably easy to understand as well as practical providing advice on prayer and contemplation that anyone can use Previous translations of the Cloud have tended to veil its intimate even friendly tone under medieval sounding language Carmen Butcher has boldly brought the text into language as appealing to modern ears as it was to its original readers more than five hundred years ago Also included in the volume is the companion work attributed to the same anonymous author The Book of Privy Counsel which contains further advice for approaching God in a way that emphasizes real experience rather than human knowledge **The Cloud of Unknowing**, 1964 **The Cloud of Unknowing** Anonymous, 1922 Written anonymously The Cloud of Unknowing is a treatise which discusses the human soul and how God interacts with it to form each person's spiritual journey A manual of prayer and God split into seventy five short chapters this book is intended to be read slowly so that the author's comprehension is maximized First written in Middle English during the 15th century the words are archaic but made comprehensible by author Evelyn Underhill who performed edits upon the original text in the early 20th century Unusually for the period this treatise is imbued with plentiful good humor and a gentle tone The author does not seek to preach

oppressively or with threats of damnation but instead offers readers a relaxed thoughtful yet devoted manual of faith and advice on living a joyous spiritually mindful life Although the book is old the wisdom and guidance it offers is imbued with timelessness Evelyn Underhill an author who wrote extensively on the subjects of mysticism and spiritual experiences was fascinated by this surviving work of the late Middle Ages It was apparently written as private advice between a pupil and master and was not intended for wide publication Underhill explains her affinity to this text in her introduction identifying it as a prime example of Christian mysticism and noting past examples wherein mystics and spiritualists have influenced Christianity *The Cloud of Unknowing, and Other Treatises* Augustine Baker, Justin McCann, 1924 **The Cloud of**
