license which she wanted to have for grad school Instead of leaving the doctor s office with permission to drive she left with a shocking diagnosis doctors had found a large hole in her brain responsible for her life long struggles Because there aren t established tools to rely on in the wake of this unprecedented and mysterious diagnosis Cole and her doctors and family create them and discover firsthand how best to navigate the unique world that Cole lives in Told without an ounce of self pity and plenty of charm and wit Head Case is ultimately a story of triumph as we watch this passionate loveable and unsinkable young woman chart a path for herself
