made him continue until his tongue tired and his efforts flagged She murmured her frustration and swiveled the chair a bit He heard a desk drawer open and then there was a fierce sting across his back as the whip she withdrew from it bit him No words were needed He fought his tongue fatigue and redoubled his efforts until she softened and moaned in pleasure His tongue did soon tire again and again there was the sting of the lash harder and three times Fear of the whip and the specter of prison drove him to supreme efforts and he plunged his tongue in straining for every millimeter of penetration Eva relaxed immersed in her enjoyment for a while marveling at the depths his tongue had reached within her She had no doubt he would be an exceptional slave but she should never let on that this was so if she was to get the most from him Finally her arousal peaked and she grabbed his forelock rolled her hips and pulled him up to feed him her clit again Orgasm rocked her once more in mere moments and she gushed and he swallowed But after a brief savoring she shoved his head back down and pressed her anus to his lips He set to work in her orifice suppressing all fatigue in desperation wondering what it would take to finally satisfy this lustful goddess His tongue tired again lashes rained down merciless and again he drove himself beyond the limit of endurance until she showed her readiness to come once more and he set to work on her orb with an urgency born of terror No spoilers but you ll love this bdsm story It s so dirty you ll have to clean your Kindle afterward GENRE BDSM Bondage WARNING This Book contains mature language and content intended for 18 readers only Bookmark or follow for more You won t want to miss what we have in store next
