Leadership after COVID-19 Satinder K. Dhiman, Joan F. Marques, 2022-03-05 The COVID-19 pandemic has permanently changed lives around the world, and no dimension of life and leadership seems to have been spared from its wrath. It has also stirred us into thinking about novel approaches to lead organizations and societies toward a shared, sustainable future. This book offers novel perspectives on leadership and change management after the COVID-19 pandemic that take us beyond striving for thriving perspectives that are grounded in emergent theory, research, and practice. It highlights sustainable leadership and change management strategies to effectively deal with unpredictable and rapidly changing situations, particularly in a world that is increasingly volatile, uncertain, complex, and ambiguous (VUCA). This book also highlights engaging perspectives by specialists from different disciplines, such as business, psychology, education, and health care. It serves as a practical guide in identifying and responding to leadership challenges and opportunities in each of the four VUCA categories of volatility, uncertainty, complexity, and ambiguity and how they affect businesses, organizations, and societies as a whole.

Convictional Civility C. Ben Mitchell, Carla D. Sanderson, Gregory Alan Thornbury, 2015-01-01 Jesus calls his followers to be salt and light in a fallen world. Through the ages, believers have grappled with what form Christian cultural engagement should take. Various Christian thinkers have advocated models of engagement, and some recent models have used the discourse of the battlefield to speak of winning the culture war. In a post-Constantinian post-Christian culture, how are believers to live in the world without being of the world? Throughout his ministry, David S. Dockery has persistently advocated convictional civility as a vision for contemporary engagement in which witness is more important than winning, and fidelity is more effective than fighting. In this volume, respected Christian leaders honor him by presenting these essays that explore convictional civility as a lifestyle of bearing witness for Christ and of contributing to the common good. From the pulpit to the public square and from the campus to the courtroom, followers of Christ are to demonstrate Christian virtues through winsome civility and Christian values through wholehearted conviction.

Evaluating Leadership J. Keith McKinley, 2024-02-21 Leadership is vital, but how do you know which leadership theory or practice is right for you? How should you go about assessing the quality of a leadership practice? How can you evaluate leadership ideas to ensure that they line up with Scripture? How can you assess a leadership model and know it will work in your ministry setting? *Evaluating Leadership* provides a solution to these problems. It introduces the Leadership Assessment Matrix, which helps you assess whether a leadership theory, principle, or practice is suitable for your team and your specific context. Drawing on extensive experience and research, *Evaluating Leadership* delves deep into the problem, explains the model, and

demonstrates how it can be applied If you have ever had questions about how to evaluate leadership ideas or practices this book is the book for you **"Holistic Leadership Development** Habtamu Umer,2024-07-12 Holistic Leadership Development A Biblical Framework for a Transformative Leadership Followership Process by Habtamu Kedir Umer is a profound exploration into the heart of authentic Christian leadership Rooted in biblical principles and enriched by the author's extensive leadership experience the book introduces the transformative 7C Model calling commission character competencies context commitment and completion Each chapter intricately weaves scriptural insights with practical applications making it an invaluable resource for personal growth and group discussions This work empowers leaders to fulfill their divine calling inspires and develops others and ensures a legacy of impactful godly leadership *The Pastor as Leader (Foreword by Sinclair B. Ferguson)* John Currie,2024-03-12 Practical Biblical Advice for Effective Pastoral Leadership Many pastors feel torn between preaching and leading but both responsibilities are essential Without faithful exposition of Scripture churches risk straying theologically Without strong leadership teaching lacks spiritual zeal How can pastors find balance and steward their calling effectively In *The Pastor as Leader* John Currie equips pastors to be men of God who competently carry out their purpose leading God's people through the preaching of God's word Recognizing a common disconnect between the roles of preaching and leadership Currie offers foundational principles for pastoring under Christ's appointment conformed to Christ's character which exemplifies and implements Christ's wisdom preached from Christ's word By integrating two primary roles of the pastorate readers will learn how to faithfully and confidently proclaim the Scriptures as they communicate biblical vision and strategy for the church's mission Encouragement and Instruction for Pastors Biblical advice for leading the church through preaching the gospel Biblical and Theological Explores the role of a pastor by looking at the life of Jesus the early church in Acts and leaders throughout church history Practical Takes pastors from principles to practice with helpful advice and reflection questions A Thoughtful Gift for Working and Aspiring Pastors Redeeming The Time Daryl Poe,2024-10-08 The Church's immutable mission is to intentionally share Christ's kingdom The believer's divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward *Redeeming the Time* God's CLEAR Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the

Holy Scripture not out of mere duty but from an intimate loving disciple's relationship. The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home. Focusing on parental responsibility is not to suggest that the community of faith has no didactic role; rather, it better organizes and supports biblical discipleship in the context of the family unit. Redeeming the Time biblically examines Christ's transformational leadership as the servant way, the appointed way, the passionate way, and the challenging way. For all who follow Him, He is our CLEAR Path forward.

The Leadership Imperative Scott D. Liebhauser, 2018-01-22. The topic of leadership is ubiquitous in today's era of experts, scholars, and gurus. With a host of voices promoting a myriad of views on this topic, it is hard for one to determine who or what is correct. This book gets to the heart of the issue by providing an unashamed and historic basis for leading others using biblical truth as the standard. The postmodern epoch is fraught with confusion, relativity, and chaos as basic terms are redefined, historic truths are maligned, and cultural mores are upended. Consequently, leaders in this time are often just as confused as their followers, who are leaving a trail of destruction in their wake. Fortunately, there are answers for those seeking to lead with confidence based on something much grander than personal opinion or subjective reasoning. In this work, Dr. Liebhauser explains the pitfalls leaders face in these fluid times of resistance to anything authoritative while providing sound principles by which to effectively lead. The reader will appreciate learning about the historical dynamic which fueled postmodern thinking and find hope in the time-tested remedies this book provides.

Leaders in Transition Andy O. Homer, 2016-05-09. Much has been written on the subject of leadership. For the most part, the discussion has been on the principles of leadership, i.e., how to be an effective leader while in office. This book is about the leader leaving office and how his/her departure affects him/her, the incoming leader, and the members of the faith community or organization. A change of leader can be a very stressful experience for a congregation, particularly if the transition from one leader to another is poorly managed. This book examines the nature of leadership transitions, primarily though not exclusively in the church, and provides ideas and suggestions for effectively managing these transitions for the benefit of all the stakeholders.

UnCorinthian Leadership David Ian Starling, 2014-07-15. Amid the torrent of books on leadership that flood the marketplace of contemporary Christianity, *UnCorinthian Leadership* takes a fresh, challenging, and biblical approach. David Starling examines the teaching and leadership practices of Paul in 1 Corinthians and finds both a sharp critique of the Corinthianized practices that are endemic in much modern Western Christianity and a positive, compelling theological vision for how leadership ought to function among the people of Christ. The account of Christian leadership that emerges is grounded in careful contextual study of 1 Corinthians and thoughtfully applied to the circumstances and cultural pressures of our own times. Paying close attention to the situation Paul addresses and the shape of his arguments, Starling highlights the vivid relevance and enduring power of the letter. Students of 1 Corinthians will find an illuminating guide to the contemporary application of the letter. Christian leaders and students of leadership will find a

refreshingly biblical account of what makes Christian leadership Christian Sustained Leadership WBS Thomas G. Kimble ,2023-06-20 The Bible is not merely for information but for being saved by God and changed through his words Believers know the Bible is powerful but how so And how does God save people and transform lives through Scripture Author and theology professor Jeremy M Kimble integrates an evangelical doctrine of Scripture with a robust coherent practice of engaging with Scripture Behold and Become contends that the Bible which is God s self revelation coupled with the Spirit works to produce salvation and growth in godliness Believers will see how sound beliefs about Scripture correspond with practices that allow for God s transforming work such as How the Bible s inerrancy demands our careful attention to the biblical authors as theologians How the Bible s efficacy operates within the doctrines of the triune God and the church How the Bible s authority directs our focus toward who God is and how he acts in the world We become like what we behold Rather than passively assume the animating power of the Bible Behold and Become guides readers to make Scripture s vitality an overt part of their theology of Scripture and practice of Christian life **Spiritual Warfare in the Storyline of Scripture** William F.
