The Corvus Winter Woods 3:

Devil's Toy Box Joni Mayhan, 2015-02-20 There wasn't anything unusual about the house At first glance it was as normal as any other house in the suburban central Massachusetts neighborhood Small and blue it was shaped like a box with windows and doors It was the type of house you might expect to find window boxes overflowing with brightly colored geraniums and a festive garden flag that said welcome Nothing about it suggested it was haunted Events would transpire over the next eleven years tearing our family apart and nearly stealing our souls True paranormal story by the author of *Bones in the Basement* and *The Soul Collector* **Haunted Posey County** Joni Mayhan, 2022-09-05 Posey County is a place where neighbors are friendly the BBQ is good and the blue skies are plentiful above checkerboard fields It's also a place where the dead roam freely Ghosts linger in the basement of the Sheriff's Department ready to jump out at unsuspecting correctional officers Misty apparitions wander around a town once devastated by a tornado and can even be found in the brand new Dollar General The public library in Poseyville also has several librarian ghosts still hard at work keeping the library orderly Follow paranormal investigator Joni Mayhan as she delves into the darker side of this vibrant community and unearths its peculiar hauntings
