Tales Savita Bailur,Helen Grant,2003 During the last night at Boca de Tomates a violent tropical storm raged across the
coast stampeding through the camp and devastating our home We watched in awe as the already slanting structure swayed
precariously around us as chunks of the roof flew off into the sky and as a nearby palm tree was struck by lightning Our
comfortable Brighton flat and the once ubiquitous chatter of house prices and internet millionaires seemed a world away A
great number of people consider volunteering at some point in their life and this is a nuts and bolts guide to volunteering full
of honest accounts from the people who know These are true life accounts from people of all walks of life and ages who
decided to leave their normal lives behind to take up the volunteer challenge overseas Their stories include tales of travel
and adventure tales of hardship tales of kindness frustration and humour Reading them you too will experience culture shock
in Ghana the fear of war in Sierra Leone helplessness in the face of poverty in Cambodia fishing for piranha in Suriname the
struggles of an outsider in China and much much more They will open your eyes to new worlds and may even change your
outlook in the ways they changed the volunteers Volunteer Tales will appeal to those who have already volunteered abroad or
are considering it It can be comforting and interesting to know that others have gone through similar experiences and in the
latter case extremely useful to know what it would be like Each contribution has something different to offer and is
particularly fascinating for anyone wanting to know the reality of a country they may intend to visit However these stories
will also be enjoyed by readers with no interest in becoming a volunteer at all They provide entertaining humorous reading

From a Distant Relation Mikhah Yosef Berdichevsky, 2021-12-14 In his short life 1865 1921 Mikhah Yosef Berdichevsky was a versatile and influential man of letters an innovative Hebrew prose stylist a collector of Jewish folklore a scholar of ancient Jewish and Christian history He was at once a peer of Friedrich Nietzsche the Brothers Grimm and a diverse circle of Jewish writers in the Russian Empire and German speaking countries As a Yiddish writer however he remains unknown to general readers Written in 1902 1906 but not published in full until the 1920s his stories were dismissed by prominent critics and viewed as out of step with the literary taste of his own time Yet these vivid portraits of a small Jewish town shtetl in the southern Russian Empire can speak powerfully to new audiences today With enchanting humor social satire and verbal dexterity *From a Distant Relation* captures the world of the shtetl in a sharp realist prose style Themes of repressed desire poverty relations with non Jews and historic upheavals echo in a cast of memorable characters Many of the stories and monologues feature strong female protagonists while others shed light on misogyny in the culture of the shtetl At the border between fiction and reportage with a gritty underbelly and a deceptive naïveté Berdichevsky's stories explore dynamics of wealth power and gender in an intimate setting that resonates profoundly with contemporary Jewish life
