The Crime Scene Examiner Crime Shots:

Death of Michael Brown - The Fatal Shot Which Lit Up the Nationwide Riots & Protests United States Department of Justice, 2017-03-06 The shooting of Michael Brown occurred on August 9 2014 in Ferguson Missouri a northern suburb of St Louis Brown an 18 year old black man was fatally shot by Darren Wilson a white Ferguson police officer after robbing a convenience store In response to the shooting the U S Department of Justice conducted two investigations into the circumstances of Brown s murder and the policing practices of the Ferguson Police Department This e book presents all the findings and established facts of these investigations including the misconduct against the citizens by the Ferguson Police discrimination against African Americans and conclusions regarding the shooting incident

A Shot in the Dark Green Peter Green, Peter Green, 2009-10 She could see the lights of the train and the parking lot but where she was standing was pitch black She took out her silver vial and unscrewed the top She scooped out a pile of cocaine with the little spoon and snorted it up one nostril then the other It was an exquisite moment as the drug charged through her brain like a stampede of white lightning Hot damn she whispered and gave her head a little shake as she exhaled She felt so good So perfect Because of the deal she d just pulled off And the money she was going to make And handsome Marc waiting for her in the City with all of that cocaine A spasm of euphoria coursed through her body in a delicious wave of pleasure Neurons and endorphins danced in her brain like fi reworks on the Fourth of July She d never been so happy She s about to light a cigarette when the lights start to dim It happens so quickly there s no time to react Th ere s just a hint of pain but it s too brief to register Th en there s nothing Only blackness And just like that Sandra Ellison s life is at an end Like someone reached in and turned off the set Her set Th at s how quickly it happened She was dead before she hit the ground

The Practice Of Crime Scene Investigation John Horswell, 2004-04-13 Crime scene investigation involves the use and integration of scientific methods physical evidence and deductive reasoning in order to determine and establish the series of events surrounding a crime The quality of the immediate crime scene response and the manner in which the crime scene is examined are critical to the success of the investigation Evidence that is missed or corrupted by incomplete or improper handling can have a devastating effect on a case and keep justice from being served The Practice of Crime Scene Investigation covers numerous aspects of crime scene investigation including the latest in education and training quality systems accreditation quality assurance and the application of specialist scientific disciplines to crime The book discusses a range of basic and advanced techniques such as fingerprinting dealing with trauma victims photofit technology the role of the pathologist and ballistic expert and signal processing It also reviews specialist crime scene examinations including clandestine laboratories drug operations arson and explosives
