The Crowd You're In With:

The Crowd You're In With Rebecca Gilman, 2009-08-18 The Crowd You're In With is the fifth play by award winning American playwright Rebecca Gilman. In it a Fourth of July backyard barbecue is the setting for a comic thought provoking ultimately disquieting exploration of the question of whether to have children. Melinda and Jasper the hosts are deeply divided by the issue. Tom and Karen their landlords decided long ago to remain childless. Windsong and her husband Dan are expecting a baby. As the play progresses the motivations of these characters reveal themselves as ever more complex. Even as the characters often speak in very practical terms about their decisions Gilman never loses sight of the mystery underlying a life shaping decision guided by both rational thought and biological imperative which ultimately speaks to the even larger question of free will and determinism faced by every person. The Chicago based Gilman has won numerous awards including the Evening Standard Award for Most Promising Playwright and the Scott McPherson Award. Her play The Glory of Living was a finalist for the Pulitzer Prize.

A Reason to Carry On Julius Mwangi,2010-02-17 How is it possible to carry on with life when the world you live in is falling apart How is it possible that the very thing you prayed for for so long is suddenly taken away from you and you are left empty How is it possible that the people you run to for friendship and help now turn away from you leaving you sad and lonely What does one do when there is nothing to hold on to when friends and family turn away and there is nowhere to turn to Where do you turn to when the world gets too cloudy and unreceptive when the sounds of laughter mimic clanging cymbals and relationships become rocky and disintegrate How is it possible to hold on when the future is so gloomy God has made a way for you He does not delight in your misery There s a way he has made for you through the darkest wilderness where there has never been a way Don t give up yet it s going to be okay Keep your hope alive weeping may endure for the night but joy comes in the morning There is a morning that is coming for you Your world will not fall apart something will work out beyond your expectation and wildest imagination New friends will come your way to replace those who left Your family will come through whatever challenges they have been facing and God will bring a spirit of understanding and forgiveness You were designed with an endurance capability and whatever you go through he tested you for it in advance and you passed There is nothing that will hold you back unless you give it permission to Whatever you set your mind to do you will achieve because that is where your heart will be He knows the potency he put in you He knows the acumen he put in you and He knows you will not break under any weight or pressure God knew you would be tried and tested like Jesus was but nothing will break you God put in you a resilience power when you are down you will easily rise up and carry on He put in you a wake up power that puts you back in motion even in your weakest moment He put in your heart a new song a song of victory because when he formed you he knew you will be an over comer That is why you never give up that is why something inside you tells you to move on carry on don t stop here That is what this book is about to provide you with a map quest that will guide you from the undesirable location you are at and provide you with ideas of how you can move on with your life Regardless of how far you have gone into the rugged interior you can begin again You creator

designed you with the ability to recharge yourself in times of turmoil so that in place of giving up you can restart your life and carry on I pray that this book will lead you to that point where you can ultimately recharge yourself put your life together and carry on *I Am God Almighty* Chantal Uwineza,2023-08-31 Have you ever felt like laughing at God's words of promise If so it is most likely an incredulous laughter Sarah laughed when she was told Next year at a time like this you will have a son Abraham also laughed To these two people God asked Is anything too hard for me He still asks the same question today to remind us that nothing is impossible to Him It is not that people forget that God is able but rather that they need to be reminded that He is God Almighty with the power to perform miracles beyond human understanding When we think it is too late for us to receive our miracle when we believe that God has forgotten about us or when we no longer feel qualified God still works Whatever your story no matter how hard it is be assured of this God can do what He has said He will do
