Habel,Shirley Wurst,2000-08-01 A series of articles by scholars from around the world reading the story of Earth in Genesis in the light of the ecojustice principles enunciated in Volume One Readings from the Perspective of Earth These readings uncover how Earth may be valued or de valued given a voice or denied a voice dominated or served depending on the orientation of the text In Genesis 1 for example the intrinsic worth of Earth is highlighted in the revealing of Earth s presence but negated when humans are given the right to subdue it In Genesis 9 the text begins with the Earth community terrified by and alienated from humans but ends with all the Earth Community and Earth itself bound together equally in a covenant **Christ all and in all, etc. The editors' preface to the reader signed: Simeon Ashe, Edm. A Prose English Translation of the Mahabharata Manmathanatha Datta,1908 *A Prose English Translation of the Mahabharata* Manmatha Nath Dutt,1901 **The Traitor's Niche** Ismail Kadare,2019-06-11 Kadare is inevitably linked to Orwell and Kundera but he is a far deeper ironist than the first and a better storyteller than the second He is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality The New Yorker At the heart of the Ottoman Empire in the main square of Constantinople a niche is carved into ancient stone Here the sultan displays the severed heads of his adversaries People flock to see the latest head and gossip about the state of the empire the province of Albania is demanding independence again and the niche awaits a new trophy Tundj Hata the imperial courier is charged with transporting heads to the capital a task he relishes and performs with fervor As he travels through obscure and impoverished territories he makes money from illicit side shows offering villagers the spectacle of death The head of the rebellious Albanian governor would fetch a very high price indeed The Traitor s Niche is a surreal tale of tyranny and rebellion in a land where armies carry scarecrows state officials ban entire languages and the act of forgetting is more complicated than remembering Long listed for the 2017 Man Booker International Prize The name of the Albanian novelist Ismail Kadare regularly comes up at Nobel Prize time and he is still a good bet to win it one of these days He is seemingly incapable of writing a book that fails to be interesting The New York Times
