The Dark Place:

The Dark Place Britney S. Lewis, 2023-08-08 You can only hide from your nightmares for so long Seventeen year old Hylee Williams didn't ask to disappear She didn't ask to move from Kansas City Kansas out to the suburbs in Missouri But she did disappear and not only that but when she vanished from our world she materialized in a dark twisted version of the night that changed her life forever the night her older brother went missing Just as Hylee realizes this moment could be the key to unraveling the truth about her brother she's yanked away from the dark place back to our world Craving a sense of normalcy she goes to a party with her best friend where she meets Eilam Roads Tall handsome and undeniably inexplicably familiar Hylee can't help the pull she feels towards him It's a classic teen girl meets boy situation until it happens again She disappears right in front of him Together Hylee and Eilam investigate the truth about time space and reality with Hylee increasingly convinced her time travel holds the key to saving her brother But the more they learn the more Hylee begins to see darkness lurking in her world and in herself Britney S Lewis's sophomore novel combines the quotable relatability swoony romance and emotional resonance of John Green with the surrealist horror imagery and razor sharp wit of Jordan Peele At once haunting and enchanting and entirely unforgettable *The Last Dark Place* Richard J. O'Brien, 2000-09-27 The Last Dark Place tells a story about reunion redemption love and friendship In this novel Satan decides he wants to regain his former place in Heaven The Morning Star discovers that he must find a suitable replacement for his throne in Hell before he is granted an audience with Yahweh Satan's search takes him to southern New Jersey in the form of Darius Algernon He meets a woman named Agnes at The Tide a less than reputable suburban nightclub for the over forty crowd Agnes has something Algernon wants a son named Jimmy Christophe Jimmy Christophe knows that something about his life isn't quite right His best friend Mel Talbott thinks Jimmy is going crazy his girlfriend Joy Felder wants him to open up to her and Christophe's mother Agnes makes no qualms about the day she will be rid of her son forever Mixed up in Darius Algernon's quest are a myriad of characters including an immortal Roman who made the mistake of pissing off a certain son of God two thousand years ago Angels demons and dreams abound in this tale The reader will meet some familiar faces Gabriel Raphael and Metatron Other angels with less press included are Tarquam the spirit of autumn Mihir the healer of the earth and the angel of tame beasts who goes by the name of Behemial Also see why some clowns with their painted happy faces are really manifestations of pure evil Don't be left in the dark Read this literary fantasy and find out what they never taught you in catechism or Sunday school The Dark Place Behind the Eyes M.L. From a Dark Place Lee Beck,2012-11-29 The killings began in May when the body of a young teacher was discovered in the bedroom of her historic Society Hill home of Philadelphia The second victim was found seven days later The number of victims grew incrementally during the uncomfortably wet and humid Spring and Summer Each of the victims surgically mutilated by a madman possessing the skills of a surgeon In a city renowned for its medical institutions and thousands of medically trained professionals one among them was a killer For Captain Leo Gromski of the Special Homicide Unit the

pursuit of a phantom leads to the most shocking revelation a persistent investigator could conceptualize The identity of the killer leads Gromski down the path to the Roach Motel of conspiracies its tentacles stretching from Philadelphia's City Hall to the United States State Department

The Dark Place Sam Millar, 2013-08-01 Young homeless women and drug addicts are being abducted before being brutally mutilated and murdered and a city is held in a grip of unspeakable terror The cops are unable or unwilling to apprehend the elusive serial killer and corrupt politicians turn a seemingly blind and almost approving eye to the catalogue of murders The perpetrator is cunning wealthy and influential More importantly he has never once made a mistake in his grisly calling until now By abducting Katie the young daughter of legendary private investigator Karl Kane the killer has just made his first mistake which could well turn out to be his last Blaming himself for his daughter's abduction Karl Kane must now reach down to the darkest recesses of his troubled soul and mind to become as cunning and merciless as the killer but even that may not be enough to penetrate the fortress like lair where Karl suspects the killer keeps his victims There is only one man capable of helping Kane attack the dark place a man despised and hated by Detective Inspector Mark Wilson but even that help becomes as elusive as any Karl will get from the cops From the nail biting beginning to the explosive ending Karl Kane's nightmarish journey forces upon him a decision that changes his life forever and forces him to look into the abyss of no return

Dravid,2013-08-08 The more I write the more I revisit memory like this putting pen to paper ink to blood the more the dots seem to connect and the silences speak Following her faux father s suicide Zephyr s life unravels into a shapeless tapestry woven in the ethanol hand of her grandfather Don an amoral sensual manipulative bastard who s too clever for heaven and too deranged for hell An alcoholic extraordinaire for whom the clock always struck quarter past rum for whom it was always just about the libidinous moment a man with imperial swagger and disco ball eyes the super king of a vast empire of solitude and permanent resident of his daughter s wounded heart Don s actions shatter Zef s past into fragments of warring memories Armed with only her blade of tears she carves her way through a quagmire of dark atavistic forces A mother daughter bond formed in the afterlife memories stored in Ziploc bags and the horrific struggle to piece together a past that s been through the shredder *A Cool Dark Place* is all of these plus the unsettling realization that one s life was ghost written by two drunks
