The Dark Servant Collection 1:

The Dark Servant Collection 1 A. C. Ellas, 2014-05-08 For three thousand years the dark servants of the Lord of Night have waged war against the monstrous armies of the Unmaker An ancient prophecy gives them hope of eventual victory but the Unmaker will stop at nothing to ensure the prophecy never comes to pass Cursed with the rare gift of foresight High Priest S Rak is duty bound to defend and preserve the Victory Prophecy by any means necessary and at any cost The crown prince of distant Koilatha proves to be a key player in the thousand year old Prophecy and S Rak is sent there as an envoy a cover for his real mission to keep Prince Jethain alive S Rak finds that allies are far and few between in a land where the Sun God is preeminent a land where he is considered evil for following the night a land where slavery is legal and submissives are collared His own distant past long since buried comes back to haunt him threatening to undo all he has accomplished With sun priests and palace functionaries both blackmailing him his odds of keeping the Prince alive plummet with each passing day In the face of personal indignities far worse than those inflicted by mere battle S Rak must remain strong or all will be lost He finds some of the support he needs in the Captain of the Palace Guard but Jisten is not only a virgin he is under vows of purity S Rak s attraction to the handsome Valer only adds to his troubles giving his enemies yet more power over him With the hand of every man and the hand of a Goddess against him what hope has a high priest of the night against the pitiless light of day *Servants of the Servant* Don N. Howell Jr., 2003-11-14 Leadership is a subject that has gained impressive visibility in the past two decades The number of books monographs and articles as well as seminars devoted to the development of one s leadership skills has been almost exponential growth This study is an attempt to forge a full orb ed theology of Christian leadership grounded in the teaching of Scripture What emerges from tracing the theme of leadership through the biblical record is a servanthood pattern one that is wholly distinct from prevailing secular models Our exposition begins with the biblical language of the servant the term of choice for those great leaders used of God to further his saving purposes in the world Eleven Old Testament and five New Testament leaders are profiled The portrait of Jesus Christ focuses on three motifs that governed his training of the twelve for kingdom ministry The Pauline letters are mined for those convictions that governed Paul s practice of leadership both of his mission team and of the faith communities that emerged from that mission The treatment of each leader from Joseph to Paul begins with a series of preliminary questions and concludes with a mini profile that correlates the biblical data with these questions The final chapter offers a summary profile of the servant leader one whose character motives and agenda align with the divine purposes Though designed as a textbook for upper level college and seminary courses on leadership the book s readable format is ideal for churches and parachurch organizations in their leadership training programs The author s prayer is that this work will serve as a catalyst to call God s people back to Scripture and thereby raise up a whole new generation of authentic servant leaders First Nights at the Opera Thomas Forrest Kelly, 2004-01-01 A renowned music scholar narrates the social history of European opera during its
