Her Three Bears Part One Indie Black, B Livingstone, 2021-09-28 Life was perfect quiet and uneventful Entirely mundane But as the story goes that was just the calm before the storm that tore my life to ribbons One dark fateful night One accident that shattered my world One unforgettable move And now my life is anything but mundane My name is Astraea Davis but you can just call me Rae This is the tale of a girl whose world was ripped apart and pieced back together in the unforgiving cold Two months ago my parents were murdered Their death as much a mystery to me as the path I m thrown on because of it A path that has me contending with the tendrils of an unseen enemy the quips of an asshole teacher and the pain from a neglectful aunt But even the darkest paths have a ray or two of light For the sun always shines brightest after a

brutal and unforgiving storm A new best friend A new job that I love A lickable new boss and his equally sexy as sin brother These are my rays in the storm raging around me As the secrets I didn't know I was hiding are unveiled and the threats loom closer will the new bonds I've developed hold or will everything around me implode again Her Three Bears is a two part Goldilocks and the Three Bears retelling a part of the Fairly Twisted Chronicles This book is a slow burn reverse harem paranormal romance featuring one female with three mates Trigger Warnings This book contains moderate bullying stalking related themes swearing PTSD and sexual assault Content suitable for 18 audience *Three Beasts* Dark Angel, 2017-10-06 I love the title of this story because it's so apt It was so much fun to write but also talks a lot about my underlying philosophy lol I think there are some hidden meanings and things in here with a deeper message amidst all the over the top unrealistic fun I wonder thought if it's maybe too serious now Nah Enjoy
