

The Day You Went Away

Tác giả: Nhạc Anh

Oh oh oh uh uh
Well I wonder could it be
When I was dreaming about you baby
You were dreaming of me
Call me crazy call me blind
To still be suffering is stupid after all of this time
Did I lose my love to someone better
And does she love you like I do
I do, you know
I really really do
Well hey
So much I need to say
Been lonely since the day
The day you went away
So sad but true
For me there's only you
Been crying since the day
The day you went away
Oh oh yeah yeah
I remember date and time
September twenty second
Sunday twenty five after nine
In the doorway with your case
No longer shouting at each other
There were tears on our faces
And we were letting go of something special
Something we'll never have again
I know, I guess
I really really know
Well hey
So much I need to say
Been lonely since the day
The day you went away
So sad but true
For me there's only you
Been crying since the day
The day you went away
The day you went away
The day you went away
Oh oh yeah yeah
Oh oh oh
Did I lose my love to someone better
And does she love you like I do
I do, you know
I really really do
Well hey
So much I need to say
Been lonely since the day
The day you went away
So sad but true
For me there's only you
Been crying since the day
The day you went away
Why do we never know what we've got 'til it's gone
How could I carry on
The day you went away
Cause I've been missing you so much I have to say
Been crying since the day
The day you went away
The day you went away
The day you went away
Oh oh yeah yeah

The Day The Words Went Away:

Nicene and Post-Nicene Fathers First Series, St. Augustine Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author s personal agenda or bias Also included in this volume are a selection of Augustines sermons Words and Letters 537 St. Gregory of Nyssa, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> St Gregory of Nyssa Thus the general meaning of the name Christ is divided into two different meanings wisdom and power so that we looking at the grandeur of the dispensation of all things enlighten with the help of what we contemplate the inexpressible power of Him and make it clear that something appeared in being which did not exist before that the diverse nature of beings was realized by divine beckon that they would bow to the incomprehensible wisdom of the thinker of this whose thoughts are the essence of the act It is by no means idle and not useless for us to acquire the good that we believe that Christ is Power and Wisdom For that the prayer calls and to which the eye of the soul draws then he draws himself to him in prayer And so in looking forward to the Force and strength of Christ the power is approved in the inner chelovetsy as the apostle says Eph 3 16 and the one who calls on Wisdom by which again the Lord means is made wise as the book of Proverbs says Prov 2 3 5 So the comrade of Christ He is Strength and Wisdom must also be co named with power having mastered sin and show in himself wisdom choosing the best And through the manifestation of wisdom and strength in us the first in the choice of good and the second in the effort with which the rationally chosen is preserved the perfection of life is achieved of the two components the term Being transformed from glory to glory it out nature is changed so that through daily growth it will constantly become better always improve and never reach the limit of perfection For true perfection lies in the fact that one should never stop growing for the better and limit perfection with no limit Household Words ,1885 *Littell's Living Age* Eliakim Littell, Robert S. Littell, 1870 **Buddha's Words for Tough Times** Peter Skilling, 2024-02-20 Twenty translations from the vast corpus of Buddhist literature come alive in this full color anthology of ancient wisdom for turbulent times as a master scholar uncovers their sources and significance Change and loss have always been part of the human condition but in today s world the pace and intensity of uncertainty has reached new extremes The Buddha observed the truth of impermanence more than 2 500 years ago and diagnosed the source of the anxiety it engenders so incisively that his prescription still resonates
