

JAKE NEEDHAM

AN INSPECTOR SAMUEL TAY NOVEL - BOOK 3

THE DEAD AMERICAN

"If there is a living writer whose work makes me think of the great Raymond Chandler, it's Jake Needham."

- JAMES DAVID AUDLIN

The Dead American The Inspector Samuel Tay Novels 3

Lester Gray French

The Dead American The Inspector Samuel Tay Novels 3:

The Dead American, 2015 Jake Needham is Asia's most stylish and atmospheric writer of crime fiction. The Singapore Straits Times: They steer a tight ship in squeaky clean Singapore. No dissent, no opposition, no criticism. It's like an entire country run by Walt Disney. Disneyland with the death penalty. Somebody once called it 'A young American software engineer hangs himself in his Singapore apartment'. At least that's what the police say happened. Emma Lazar, a writer for the Wall Street Journal, thinks otherwise. She thinks Tyler Bartlett was murdered to keep him quiet, and the Singapore police are covering it up. Emma asks Inspector Samuel Tay to help her investigate the young man's death. Tay is a senior inspector in the elite Special Investigation Section of Singapore CID. He's pretty much the best investigator the Singapore police have, but Tay's father was an American, and from him Tay inherited a strong streak of American individualism that has made him an outsider in tightly wound little Singapore. That's mostly why Tay has been placed on leave. He shot a man, and everyone knows it was self-defense, but Tay's enemies have seized on the incident to try to get rid of him. Once and for all, Tay is reluctant to get involved. It won't help him get his job back to challenge the government's official narrative about the death of Tyler Bartlett. But Emma's story tickles his curiosity, and well, the truth is she's beautiful, and he's bored, so he tells her he will help anyway. Learning that Tyler Bartlett's death was no suicide is easy enough for Tay. What's more difficult is finding out what the young man knew that made him worth killing. When Tay realizes his superiors are working behind the scenes to keep the secret, he becomes more determined than ever to discover what and who is really behind Tyler's murder. Of course, there's a problem there. If Tay does find out, won't that make him worth killing too? *The Literary Filmography* Leonard

Mustazza, 2006-05-17. From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era, as were such books as Thomas Dixon's Jr's *The Klansman*, basis for the film *Birth of a Nation*. In recent years, Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names. A guide to English language works that have been adapted as theatrical and television films: this volume includes books, both fiction and non-fiction, short stories, newspaper and magazine articles, and poems. Entries are arranged alphabetically by literary title, with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptations of the work, including adaptation titles, director, screenwriter, principal cast, and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS) is also offered. *The Literary Filmography: Preface, A-L* Leonard Mustazza, 2006.
