Flewelling, 2015-10-08 The Bible studies I chose to do in answer to the request of my first congregation out of seminary sought to present a serious somewhat scholarly approach to the interested among my parishioners In every case I took a book to study assuming that it was written to be read from the beginning and to make sense to the reader in that format I was most interested in finding what the author or compiler or editor as the case may be sought to convey I have found the studies of value to me personally and felt that they were generally well received as I led them Revisiting these studies now finds them again of value to me I hope they prove to be so for you as well Authentic Christianity Richard W.

Coates, 2014-11-17 God made us for himself to be in eternal communion with him This one single claim makes sense of mankind why he was created and what it is that gives man his deepest meaning and fulfills his deepest yearnings But are these things true How do we know they're true How important is truth itself What flows from truth Human experience has taught us how important truth is truth frees and falsehood enslaves There is something within man that needs God created by God himself and something given by God to meet that need At its base the need is for happiness and happiness once understood has its source in one place alone God himself This truth is pivotal to man's well being as a full human being It is God's revelation about this core nature of man that is essential to man's own self understanding St Augustine expressed this in one simple line Our hearts are restless until they rest in Thee God's own revelation of eternal life provides the very meaning for our existence It reveals the eternal mind of the Father what he had in mind for mankind even before creation a being that would have life through with and in him Truth has its yield Our own happiness is linked to knowing what it is But the truth about God is subject also to our reason We have discovered that religious truth must stand the test of human reason experience and time Truth and Its Yield deals with the very importance of truth itself Life Application Study Bible Tyndale, 2021-11 Today's 1 selling study Bible the Life Application Study Bible has been significantly expanded and thoroughly updated The relevant notes not only explain difficult passages and give information on Bible life and times but go a step further to show you how to take it personally speaking to every situation and circumstance of your life It includes over 10 000 Life Application notes and features designed to help readers apply God's truth to everyday life The new two color interior provides the user a fresh and innovative Life Application reading experience too **NLT Life Application Study Bible, Third Edition, Personal Size** Tyndale, 2020-04-07 Winner of the 2020
